#	Paper	IF	Citations
386	Job satisfaction among nurses: a literature review. <i>International Journal of Nursing Studies</i> , 2005 , 42, 211-27	5.8	446
385	Job satisfaction among hospital nurses revisited: a systematic review. <i>International Journal of Nursing Studies</i> , 2012 , 49, 1017-38	5.8	285
384	Nurses' attitudes towards older people: a systematic review. <i>International Journal of Nursing Studies</i> , 2013 , 50, 1271-82	5.8	151
383	Job satisfaction among hospital nurses: A literature review. <i>International Journal of Nursing Studies</i> , 2019 , 94, 21-31	5.8	148
382	Cardiac rehabilitation and quality of life: a systematic review. <i>International Journal of Nursing Studies</i> , 2012 , 49, 755-71	5.8	109
381	Experiences and Outcomes of Transition from Pediatric to Adult Health Care Services for Young People with Congenital Heart Disease: A Systematic Review. <i>Congenital Heart Disease</i> , 2015 , 10, 413-27	3.1	108
380	Job satisfaction and its related factors: a questionnaire survey of hospital nurses in Mainland China. <i>International Journal of Nursing Studies</i> , 2007 , 44, 574-88	5.8	104
379	Health problems and health-related quality of life in people with multiple sclerosis. <i>Clinical Rehabilitation</i> , 2006 , 20, 67-78	3.3	104
378	Competence versus performance: which is more important?. <i>Journal of Advanced Nursing</i> , 1994 , 20, 525-31	3.1	96
377	Loneliness and social support of older people in China: a systematic literature review. <i>Health and Social Care in the Community</i> , 2014 , 22, 113-23	2.6	95
376	The effect of computer-assisted learning versus conventional teaching methods on the acquisition and retention of handwashing theory and skills in pre-qualification nursing students: a randomised controlled trial. <i>International Journal of Nursing Studies</i> , 2010 , 47, 287-94	5.8	90
375	Continuing professional education for qualified nurses: a review of the literature. <i>Journal of Advanced Nursing</i> , 1992 , 17, 1129-40	3.1	81
374	Nursing and information and communication technology (ICT): a discussion of trends and future directions. <i>International Journal of Nursing Studies</i> , 2011 , 48, 1302-10	5.8	80
373	Benefits and challenges of nurse prescribing. <i>Journal of Advanced Nursing</i> , 2004 , 45, 559-67	3.1	75
372	The relationship between physicians and nurses personal physical activity habits and their health-promotion practice: A systematic review. <i>Health Education Journal</i> , 2013 , 72, 102-119	1.5	71
371	Using computer assisted learning for clinical skills education in nursing: integrative review. <i>Journal of Advanced Nursing</i> , 2008 , 63, 222-35	3.1	67
370	Shift work and its impact upon nurse performance: current knowledge and research issues. <i>Journal of Advanced Nursing</i> , 1999 , 29, 18-27	3.1	67

369	Nutritional status of older people in long term care settings: current status and future directions. <i>International Journal of Nursing Studies</i> , 2004 , 41, 225-37	5.8	66
368	What people with multiple sclerosis perceive to be important to meeting their needs. <i>Journal of Advanced Nursing</i> , 2007 , 58, 11-22	3.1	62
367	A model of job satisfaction of nurses: a reflection of nurses' working lives in Mainland China. <i>Journal of Advanced Nursing</i> , 2007 , 58, 468-79	3.1	61
366	Informal carer activities, carer burden and health status in multiple sclerosis. <i>Clinical Rehabilitation</i> , 2007 , 21, 563-75	3.3	59
365	Methodological issues surrounding the use of vignettes in qualitative research. <i>Journal of Interprofessional Care</i> , 1998 , 12, 79-86	2.7	57
364	Professional autonomy and job satisfaction: survey of critical care nurses in mainland Greece. <i>Journal of Advanced Nursing</i> , 2010 , 66, 2520-31	3.1	56
363	Developing complex interventions for nursing: a critical review of key guidelines. <i>Journal of Clinical Nursing</i> , 2013 , 22, 2366-86	3.2	55
362	Nurses' knowledge and risk perception towards seasonal influenza and vaccination and their vaccination behaviours: a cross-sectional survey. <i>International Journal of Nursing Studies</i> , 2011 , 48, 1281-9 ^{5.8}	5.8	55
361	Participation in continuing professional education in nursing: findings of an interview study. <i>Journal of Advanced Nursing</i> , 1996 , 23, 999-1007	3.1	55
360	Key influences on the professional socialisation and practice of students undertaking different pre-registration nurse education programmes in the United Kingdom. <i>International Journal of Nursing Studies</i> , 1996 , 33, 506-18	5.8	54
359	Quality of life and related factors: a questionnaire survey of older people living alone in Mainland China. <i>Quality of Life Research</i> , 2014 , 23, 1593-602	3.7	53
358	Interviewing respondents who have English as a second language: challenges encountered and suggestions for other researchers. <i>Journal of Advanced Nursing</i> , 1994 , 19, 566-71	3.1	53
357	Factors contributing to registered nurse medication administration error: a narrative review. <i>International Journal of Nursing Studies</i> , 2015 , 52, 403-20	5.8	51
356	A case for case studies: exploring the use of case study design in community nursing research. <i>Journal of Advanced Nursing</i> , 2000 , 31, 926-34	3.1	49
355	Maximizing the healthcare environment: a systematic review exploring the potential of computer technology to promote self-management of chronic illness in healthcare settings. <i>Patient Education and Counseling</i> , 2013 , 92, 13-22	3.1	47
354	The telephone survey method: a discussion paper. <i>Journal of Advanced Nursing</i> , 1996 , 24, 115-21	3.1	47
353	'Implementation deficit' and 'street-level bureaucracy': policy, practice and change in the development of community nursing issues. <i>Health and Social Care in the Community</i> , 2005 , 13, 1-10	2.6	46
352	Non-response in survey research: a methodological discussion and development of an explanatory model. <i>Journal of Advanced Nursing</i> , 1999 , 30, 677-86	3.1	46

351	A systematic review of systematic reviews on interventions for caregivers of people with chronic conditions. <i>Journal of Advanced Nursing</i> , 2015 , 71, 718-34	3.1	45
350	Improving transition to adult healthcare for young people with cystic fibrosis: A systematic review. <i>Journal of Child Health Care</i> , 2017 , 21, 312-330	2	44
349	Post-traumatic growth in mothers of children with autism: a phenomenological study. <i>Autism</i> , 2015 , 19, 29-37	6.6	41
348	Health professionals' attitudes toward older people and older patients: a systematic review. <i>Journal of Interprofessional Care</i> , 2012 , 26, 397-409	2.7	41
347	The needs of carers of people with multiple sclerosis: a literature review. <i>Scandinavian Journal of Caring Sciences</i> , 2009 , 23, 569-88	2.3	39
346	Overcoming ignorance and stigma relating to intellectual disability in healthcare: a potential solution. <i>Journal of Nursing Management</i> , 2010 , 18, 166-72	4.9	38
345	Loneliness and social support of older people living alone in a county of Shanghai, China. <i>Health and Social Care in the Community</i> , 2014 , 22, 429-38	2.6	37
344	The role of the nurse in high-quality patient care: a review of the literature. <i>Journal of Advanced Nursing</i> , 1992 , 17, 1210-9	3.1	37
343	Nurses' self-efficacy and practices relating to weight management of adult patients: a path analysis. <i>International Journal of Behavioral Nutrition and Physical Activity</i> , 2013 , 10, 131	8.4	36
342	Impact of clinical nurse specialists in multiple sclerosis--synthesis of the evidence. <i>Journal of Advanced Nursing</i> , 2003 , 42, 442-62	3.1	36
341	The effects of statins on mood: a review of the literature. <i>European Journal of Cardiovascular Nursing</i> , 2012 , 11, 85-96	3.3	34
340	Nurse prescribing roles in acute care: an evaluative case study. <i>Journal of Advanced Nursing</i> , 2011 , 67, 117-26	3.1	33
339	The assessment and management of pain among older people in care homes: current status and future directions. <i>International Journal of Nursing Studies</i> , 2003 , 40, 291-8	5.8	33
338	Nurses' attitudes towards older people and working with older patients: an explanatory model. <i>Journal of Nursing Management</i> , 2015 , 23, 965-73	4.9	31
337	Measurement of information and communication technology experience and attitudes to e-learning of students in the healthcare professions: integrative review. <i>Journal of Advanced Nursing</i> , 2009 , 65, 755-72	3.1	30
336	The knowledge base of health visitors and district nurses regarding products in the proposed formulary for nurse prescription. <i>Journal of Advanced Nursing</i> , 1993 , 18, 1573-7	3.1	30
335	Do doctors' smoking habits influence their smoking cessation practices? A systematic review and meta-analysis. <i>Addiction</i> , 2014 , 109, 1811-23	4.6	28
334	Evaluation of a MS specialist nurse programme. <i>International Journal of Nursing Studies</i> , 2006 , 43, 985-1000	3.0	28

333	The role of the support worker in nursing homes: a consideration of key issues. <i>Journal of Nursing Management</i> , 2003 , 11, 410-20	4.9	28
332	The relationship between nursing and higher education. <i>Journal of Advanced Nursing</i> , 1993 , 18, 1488-97	3.1	27
331	Nurses' smoking habits and their professional smoking cessation practices. A systematic review and meta-analysis. <i>International Journal of Nursing Studies</i> , 2017 , 67, 3-11	5.8	26
330	Job satisfaction of nurse teachers: a literature review. Part I: Measurement, levels and components. <i>Nurse Education Today</i> , 2009 , 29, 469-76	3.7	25
329	Measuring clinical nurse performance: development of the King's Nurse Performance Scale. <i>International Journal of Nursing Studies</i> , 1997 , 34, 222-30	5.8	25
328	Simulation: current status in nurse education. <i>Nurse Education Today</i> , 1992 , 12, 409-15	3.7	25
327	The problem of clinical evaluation--a review. <i>Nurse Education Today</i> , 1991 , 11, 448-53	3.7	25
326	Self-rated health and associated factors among older people living alone in Shanghai. <i>Geriatrics and Gerontology International</i> , 2015 , 15, 457-64	2.9	24
325	Healthcare transition for adolescents and young adults with long-term conditions: Qualitative study of patients, parents and healthcare professionals' experiences. <i>Journal of Clinical Nursing</i> , 2019 , 28, 4062-4076	3.2	24
324	Strengthening the role of the ward manager: a review of the literature. <i>Journal of Nursing Management</i> , 2014 , 22, 685-96	4.9	23
323	The similarities and differences between nurses with different career choice profiles: findings of an interview survey. <i>Journal of Advanced Nursing</i> , 1996 , 23, 380-8	3.1	23
322	Job satisfaction and work related variables in Chinese cardiac critical care nurses. <i>Journal of Nursing Management</i> , 2015 , 23, 487-97	4.9	22
321	The measurement of nurse performance and its differentiation by course of preparation. <i>Journal of Advanced Nursing</i> , 1994 , 20, 761-8	3.1	22
320	Medication errors: types, causes and impact on nursing practice. <i>British Journal of Nursing</i> , 2010 , 19, 380-5	3.7	21
319	Role perceptions and reported actual role content of hospital nurses in Mainland China. <i>Journal of Clinical Nursing</i> , 2008 , 17, 1011-22	3.2	21
318	An evaluation of a paediatric home care scheme. <i>Journal of Advanced Nursing</i> , 1991 , 16, 1413-21	3.1	21
317	Job satisfaction of nurse teachers: a literature review. Part II: Effects and related factors. <i>Nurse Education Today</i> , 2009 , 29, 477-87	3.7	20
316	Promoting healthy behaviours - do we need to practice what we preach?. <i>London Journal of Primary Care</i> , 2015 , 7, 112-114		19

315	Quality of life of older people in China: a systematic review. <i>Reviews in Clinical Gerontology</i> , 2013 , 23, 88-100		19
314	Development and validation of a learning needs assessment scale: a continuing professional education tool for multiple sclerosis specialist nurses. <i>Journal of Clinical Nursing</i> , 2007 , 16, 1099-108	3.2	19
313	MEASURING THE KNOWLEDGE AND ATTITUDES OF HEALTH CARE STAFF TOWARD OLDER PEOPLE: SENSITIVITY OF MEASUREMENT INSTRUMENTS. <i>Educational Gerontology</i> , 2004 , 30, 237-254	1.2	19
312	Decision-making in palliative and continuing care in the community: an analysis of the published literature with reference to the context of UK care provision. <i>International Journal of Nursing Studies</i> , 2003 , 40, 881-8	5.8	19
311	Living with sickle cell disease: the perspective of young people. <i>British Journal of Nursing</i> , 2004 , 13, 320-5.7		18
310	Depression and related factors in older people in China: a systematic review. <i>Reviews in Clinical Gerontology</i> , 2012 , 22, 52-67		17
309	Construction of an instrument to measure student information and communication technology skills, experience and attitudes to e-learning. <i>Computers in Human Behavior</i> , 2010 , 26, 1369-1376	7.7	17
308	An exploratory study of similarities and differences between senior students from different pre-registration nurse education courses. <i>Nurse Education Today</i> , 1998 , 18, 190-8	3.7	17
307	Interdisciplinary working between community pharmacists and community nurses: the views of community pharmacists. <i>Journal of Interprofessional Care</i> , 2005 , 19, 164-70	2.7	17
306	Problem solving in nursing practice: application, process, skill acquisition and measurement. <i>Journal of Advanced Nursing</i> , 1993 , 18, 886-91	3.1	16
305	Development of a competency tool for adult trained nurses caring for people with intellectual disabilities. <i>Journal of Nursing Management</i> , 2014 , 22, 803-10	4.9	15
304	Patients' experience of a telephone booster intervention to support weight management in Type 2 diabetes and its acceptability. <i>Journal of Telemedicine and Telecare</i> , 2010 , 16, 221-3	6.8	15
303	Nursing work in Jordan: an example of nursing work in the Middle East. <i>Journal of Clinical Nursing</i> , 2008 , 17, 999-1010	3.2	15
302	Operationalisation of an observation instrument to explore nurse performance. <i>International Journal of Nursing Studies</i> , 1996 , 33, 349-60	5.8	15
301	Physical activity among older people and related factors. <i>Health Education Journal</i> , 2012 , 71, 144-153	1.5	14
300	Transition from paediatric to adult healthcare for young people with cystic fibrosis: Parents' information needs. <i>Journal of Child Health Care</i> , 2018 , 22, 646-657	2	13
299	The efficacy of alarm therapy versus desmopressin therapy in the treatment of primary mono-symptomatic nocturnal enuresis: a systematic review. <i>Primary Health Care Research and Development</i> , 2015 , 16, 21-31	1.6	13
298	The perceived health promotion practice of nurses in Saudi Arabia. <i>Health Promotion International</i> , 2013 , 28, 431-41	3	13

297	The role of specialist and general nurses working with people with multiple sclerosis. <i>Journal of Clinical Nursing</i> , 2009 , 18, 2635-48	3.2	13
296	Qualified and unqualified nurses' views of the multidisciplinary team: findings of a large interview study. <i>Journal of Interprofessional Care</i> , 1999 , 13, 77-89	2.7	13
295	Validity and reliability of the modified Chinese version of the Older People's Quality of Life Questionnaire (OPQOL) in older people living alone in China. <i>International Journal of Older People Nursing</i> , 2014 , 9, 306-16	2.3	12
294	Consumer views of health care: a comparison of hospital and home care. <i>Child: Care, Health and Development</i> , 1992 , 18, 107-16	2.8	12
293	Healthy Cities: Research and Practice. <i>Journal of Advanced Nursing</i> , 1994 , 20, 203-203	3.1	12
292	Parental health information seeking and re-exploration of the 'digital divide'. <i>Primary Health Care Research and Development</i> , 2014 , 15, 202-12	1.6	11
291	Chronic heart failure: promoting quality of life. <i>British Journal of Community Nursing</i> , 2009 , 14, 54-9	0.6	11
290	Paediatric day surgery: day-case unit admission compared with general paediatric ward admission. <i>Journal of Advanced Nursing</i> , 1994 , 19, 52-7	3.1	11
289	School nursing: history, present practice and possibilities reviewed. <i>Journal of Advanced Nursing</i> , 1993 , 18, 1202-11	3.1	11
288	Records as a data source: the case for health visitor records. <i>Journal of Advanced Nursing</i> , 1987 , 12, 757-63	3.1	11
287	Learning needs analysis: the development of a tool to support the on-going professional development of multiple sclerosis specialist nurses. <i>Nurse Education Today</i> , 2006 , 26, 78-86	3.7	10
286	The approaches to learning of support workers employed in the care home sector: an evaluation study. <i>Nurse Education Today</i> , 2004 , 24, 98-104	3.7	10
285	Exploring variables underlying non-response in a survey of nurses and nurses' aides in practice. <i>Journal of Advanced Nursing</i> , 1999 , 29, 894-904	3.1	10
284	Health visitor contribution to pre-school child prophylaxis. <i>Public Health</i> , 1987 , 101, 229-32	4	10
283	Nurses' attitudes towards medical devices in healthcare delivery: a systematic review. <i>Journal of Clinical Nursing</i> , 2014 , 23, 2725-39	3.2	9
282	Medication administration practices among children's nurses: a survey. <i>British Journal of Nursing</i> , 2012 , 21, 928-33	0.7	9
281	Older people living alone in Shanghai: A questionnaire survey of their life experience. <i>Health and Social Care in the Community</i> , 2019 , 27, 260-269	2.6	9
280	An exploratory trial exploring the use of a multiple intelligences teaching approach (MITA) for teaching clinical skills to first year undergraduate nursing students. <i>Nurse Education Today</i> , 2015 , 35, 1148-54	3.7	8

279	Pet dogs as promoters of wellbeing. <i>British Journal of Community Nursing</i> , 2017 , 22, 332-336	0.6	8
278	Chinese family adaptation during the postpartum period and its influencing factors: A questionnaire survey. <i>Midwifery</i> , 2012 , 28, 222-7	2.8	8
277	Should nurses be leaders of integrated health care?. <i>Journal of Nursing Management</i> , 2007 , 15, 643-8	4.9	8
276	The contribution of nurses to child health and child health services: findings of a scoping exercise. <i>Journal of Child Health Care</i> , 2007 , 11, 231-47	2	8
275	Promoting influenza vaccination in older people: rationale and reality. <i>British Journal of Community Nursing</i> , 2005 , 10, 427-30	0.6	8
274	Neonatal nursing staff time involved with medication-related activities. <i>Journal of Advanced Nursing</i> , 1995 , 22, 623-7	3.1	8
273	Physical activity among older people living alone in Shanghai, China. <i>Health Education Journal</i> , 2015 , 74, 156-167	1.5	7
272	Nurses' misperceptions of weight status associated with their body weight, demographics and health status. <i>Public Health Nutrition</i> , 2014 , 17, 569-78	3.3	7
271	Children and young people requiring home assisted ventilation in the South of England: incidence, receipt of care support and components of the care package. <i>Children and Society</i> , 2004 , 18, 207-217	1.4	7
270	General practice nursing: who is cherishing this workforce?. <i>London Journal of Primary Care</i> , 2017 , 9, 10-13		6
269	Practical skills: prescribing consultation in practice. <i>British Journal of Community Nursing</i> , 2002 , 7, 469-73	0.6	6
268	Patients' experiences of varicose vein and arthroscopy day surgery. <i>British Journal of Nursing</i> , 1998 , 7, 1107-15	0.7	6
267	Information-seeking strategies and data utilisation: theory and practice. <i>International Journal of Nursing Studies</i> , 1995 , 32, 601-11	5.8	6
266	Exploring the process of data acquisition: methodological challenges encountered and strategies employed. <i>Journal of Advanced Nursing</i> , 1996 , 23, 366-72	3.1	6
265	Clinical problem-solving using video simulation: an investigation. <i>Medical Education</i> , 1995 , 29, 347-54	3.7	6
264	Parental self-efficacy and its measurement - an evaluation of a parental self-efficacy measurement scale. <i>Journal of Clinical Nursing</i> , 2013 , 22, 1487-94	3.2	5
263	Meeting the needs of vulnerable patients: The need for team working across general practice and community nursing services. <i>London Journal of Primary Care</i> , 2014 , 6, 149-53		5
262	The incidence of unplanned and unwanted pregnancies among live births from health visitor records. <i>Child: Care, Health and Development</i> , 1990 , 16, 219-26	2.8	5

261	The early history of health visiting: a review of the role of central government (1830-1914). <i>Child: Care, Health and Development</i> , 1987 , 13, 127-36	2.8	5
260	The working lives of nurse teachers in mainland China and the United Kingdom: a questionnaire survey. <i>Nurse Education Today</i> , 2014 , 34, 730-7	3.7	4
259	P = nothing, or why we should not teach healthcare students about statistics. <i>Nurse Education Today</i> , 2011 , 31, 837-40	3.7	4
258	Lessons from Stoke Mandeville. <i>British Journal of Community Nursing</i> , 2006 , 11, 406	0.6	4
257	A pilot project to explore the feasibility and potential of a protocol to support district nurses in the assessment of older frail people with type 2 diabetes. <i>Journal of Research in Nursing</i> , 2004 , 9, 282-294		4
256	Nurses' experiences of working in emerging primary care groups. <i>British Journal of Community Nursing</i> , 2002 , 7, 554-62	0.6	4
255	Understanding vaccine hesitancy: the evidence. <i>British Journal of Community Nursing</i> , 2021 , 26, 278-282	0.6	4
254	Evidence-based strategies to promote vaccine acceptance. <i>British Journal of Community Nursing</i> , 2021 , 26, 338-343	0.6	4
253	Rising health-care costs within limited resources. <i>British Journal of Community Nursing</i> , 2015 , 20, 310	0.6	3
252	Multimedia computer-assisted instruction for carers on exercise for older people: development and testing. <i>Journal of Advanced Nursing</i> , 2011 , 67, 308-16	3.1	3
251	Knowledge about pandemic influenza in healthcare and non-healthcare students in London. <i>Health Education Journal</i> , 2011 , 70, 217-224	1.5	3
250	Loneliness in old age. <i>British Journal of Community Nursing</i> , 2012 , 17, 400	0.6	3
249	Climate change should matter to nurses. <i>British Journal of Community Nursing</i> , 2006 , 11, 454	0.6	3
248	The need for effective assessment and management of pain among older people in care homes. <i>Reviews in Clinical Gerontology</i> , 2003 , 13, 335-341		3
247	Evaluation of transition services for young people with cystic fibrosis in Southeast London. <i>Journal of Interprofessional Care</i> , 2005 , 19, 408-9	2.7	3
246	Early childhood morbidity in three contrasting urban districts. <i>Public Health</i> , 1988 , 102, 135-9	4	3
245	Loneliness is a public health issue. <i>British Journal of Community Nursing</i> , 2017 , 22, 102	0.6	2
244	Are you IT savvy?. <i>British Journal of Community Nursing</i> , 2019 , 24, 198	0.6	2

243	The COVID-19 challenge. <i>British Journal of Community Nursing</i> , 2020 , 25, 258	0.6	2
242	'No action today means no cure tomorrow': the threat of antimicrobial resistance. <i>British Journal of Community Nursing</i> , 2016 , 21, 344-7	0.6	2
