#	ARTICLE	IF	CITATIONS
1	A systematic narrative review of psychological interventions available in the antenatal period to prepare parents for parenting. <i>Current Psychology</i> , 2023, 42, 8733-8746.	2.8	3
2	A psychological group intervention for high-risk pregnant women: a protocol of a feasibility and acceptability study of the STAR Mums program. <i>Journal of Reproductive and Infant Psychology</i> , 2022, 40, 342-351.	1.8	2
3	The impact of removing financial incentives and/or audit and feedback on chlamydia testing in general practice: A cluster randomised controlled trial (ACCEPt-able). <i>PLoS Medicine</i> , 2022, 19, e1003858.	8.4	7
4	Health care support following miscarriage in Australia: a qualitative study. How can we do better?. <i>Australian Journal of Primary Health</i> , 2022, , .	0.9	2
5	Subjective experiences of participating in the Supporting Transitions, Attachment and Relationships (STAR Mums) program, a psychological group intervention for high-risk pregnant women. <i>SSM Mental Health</i> , 2022, 2, 100065.	1.8	1
6	New context, new contentâ€”Rethinking genital anatomy in textbooks. <i>Anatomical Sciences Education</i> , 2022, 15, 943-956.	3.7	10
7	A systematic review of international studentsâ€™ sexual health knowledge, behaviours, and attitudes. <i>Sexual Health</i> , 2022, 19, 1-16.	0.9	6
8	Negotiating Language in Providing Sexual and Reproductive Health Care to Refugees From Burma: Experiences of Service Providers From Australia. <i>Women's Reproductive Health</i> , 2022, 9, 57-79.	0.8	3
9	â€œNot my childâ€™: parenting, pornography, and views on education. <i>Journal of Family Studies</i> , 2021, 27, 573-588.	1.5	15
10	Early Pregnancy Assessment Services in Australia: What psychosocial support is available? A qualitative study. <i>Women and Birth</i> , 2021, 34, e575-e583.	2.0	3
11	Love during lockdown: findings from an online survey examining the impact of COVID-19 on the sexual health of people living in Australia. <i>Sexually Transmitted Infections</i> , 2021, 97, 357-362.	1.9	98
12	The need for improved emotional support: A pilot online survey of Australian womenâ€™s access to healthcare services and support at the time of miscarriage. <i>Women and Birth</i> , 2021, 34, 362-369.	2.0	7
13	Diagnosis of pelvic inflammatory disease and barriers to conducting pelvic examinations in Australian general practice: findings from an online survey. <i>Sexual Health</i> , 2021, 18, 180-186.	0.9	4
14	A chlamydia education and training program for general practice nurses: reporting the effect on chlamydia testing uptake. <i>Australian Journal of Primary Health</i> , 2021, 27, 36.	0.9	0
15	New best practice guidance for general practice to reduce chlamydia-associated reproductive complications in women. <i>Australian Journal of General Practice</i> , 2021, 50, 50-54.	0.8	7
16	Contraceptive use and pregnancy plans among women of reproductive age during the first Australian COVID-19 lockdown: findings from an online survey. <i>European Journal of Contraception and Reproductive Health Care</i> , 2021, 26, 265-271.	1.5	23
17	Patient delivered partner therapy for chlamydia infection is used by some general practitioners, but more support is needed to increase uptake: findings from a mixed-methods study. <i>Sexually Transmitted Infections</i> , 2021, , sextrans-2020-054933.	1.9	0
18	â€œItâ€™s literally giving them a solution in their handsâ€™: the views of young Australians towards patient-delivered partner therapy for treating chlamydia. <i>Sexually Transmitted Infections</i> , 2021, 97, 256-260.	1.9	2

#	ARTICLE	IF	CITATIONS
19	School-Level Variation in Coverage of Co-Administered dTpa and HPV Dose 1 in Three Australian States. <i>Vaccines</i> , 2021, 9, 1202.	4.4	4
20	What is the anatomical basis of labiaplasty? A review of normative datasets for female genital anatomy. <i>Australian and New Zealand Journal of Obstetrics and Gynaecology</i> , 2021, 61, 331-338.	1.0	13
21	Alcohol availability and prevalent Chlamydia trachomatis in young Australians: a multi-level analysis. <i>Sexual Health</i> , 2021, 18, 460.	0.9	0
22	A descriptive analysis of young women's pornography use: a tale of exploration and harm. <i>Sexual Health</i> , 2020, 17, 69.	0.9	11
23	“That might be a bit sexy for somebody your age”: Older adult sexual health conversations in primary care. <i>Australasian Journal on Ageing</i> , 2020, 39, 40-48.	0.9	14
24	Urine sample collection from young pre-continent children: common methods and the new Quick-Wee technique. <i>British Journal of General Practice</i> , 2020, 70, 42-43.	1.4	6
25	Patient-delivered partner therapy for chlamydia in Australia: can it become part of routine care?. <i>Sexual Health</i> , 2020, 17, 321.	0.9	2
26	The Views of Patients and Partners Toward Patient-Delivered Partner Therapy for Chlamydia: A Systematic Review. <i>Sexually Transmitted Diseases</i> , 2020, 47, 790-797.	1.7	3
27	A Digital Pornography Literacy Resource Co-Designed With Vulnerable Young People: Development of "The Gist". <i>Journal of Medical Internet Research</i> , 2020, 22, e15964.	4.3	13
28	“Probably better than any medication we can give you”: General practitioners’ views on exercise and nutrition in cancer. <i>Australian Journal of General Practice</i> , 2020, 49, 513-518.	0.8	5
29	What’s the catch? Urine sample collection from young pre-continent children: a qualitative study in primary care.. <i>BJGP Open</i> , 2020, 4, bjgpopen20X101060.	1.8	3
30	Whose role is it? Primary care and the provision of emotional support for women experiencing miscarriage: a pilot qualitative Australian study. <i>Australian Journal of Primary Health</i> , 2020, 26, 388.	0.9	2
31	Sexually transmissible infections, partner notification and intimate relationships: a qualitative study exploring the perspectives of general practitioners and people with a recent chlamydia infection. <i>Sexual Health</i> , 2020, 17, 503.	0.9	1
32	Do we need to worry about sexually transmissible infections (STIs) in older women in Australia? An investigation of STI trends between 2000 and 2018. <i>Sexual Health</i> , 2020, 17, 517.	0.9	6
33	Are we preparing Victorian general practice registrars to be confident in all aspects of primary care paediatrics?. <i>Australian Journal of General Practice</i> , 2020, 49, 759-766.	0.8	5
34	“The loss was traumatic” some healthcare providers added to that: Women’s experiences of miscarriage. <i>Women and Birth</i> , 2019, 32, 137-146.	2.0	45
35	Men's lived experiences of perinatal loss: A review of the literature. <i>Australian and New Zealand Journal of Obstetrics and Gynaecology</i> , 2019, 59, 757-766.	1.0	18
36	Urinary tract infections in children: an overview of diagnosis and management. <i>BMJ Paediatrics Open</i> , 2019, 3, e000487.	1.4	83
