#	Paper	IF	Citations
37	Compliance with Iron and folic acid supplementation (IFAS) and associated factors among pregnant women: results from a cross-sectional study in Kiambu County, Kenya. <i>BMC Public Health</i> , 2018 , 18, 580	4.1	40
36	Effects of single daily khat (<i>Catha edulis</i>) extract on spatial learning and memory in CBA mice. <i>Behavioural Brain Research</i> , 2008 , 195, 192-7	3.4	24
35	Medicalized Female Genital Mutilation/Cutting: Contentious Practices and Persistent Debates. <i>Current Sexual Health Reports</i> , 2018 , 10, 25-34	1.2	23
34	The 'heat' goes away: sexual disorders of married women with female genital mutilation/cutting in Kenya. <i>Reproductive Health</i> , 2017 , 14, 164	3.5	17
33	Memory deficits associated with sublethal cyanide poisoning relative to cyanate toxicity in rodents. <i>Metabolic Brain Disease</i> , 2014 , 29, 105-12	3.9	17
32	Association of lifestyle modification and pharmacological adherence on blood pressure control among patients with hypertension at Kenyatta National Hospital, Kenya: a cross-sectional study. <i>BMJ Open</i> , 2019 , 9, e023995	3	15
31	Carbamoylation correlates of cyanate neuropathy and cyanide poisoning: relevance to the biomarkers of cassava cyanogenesis and motor system toxicity. <i>SpringerPlus</i> , 2013 , 2, 647		12
30	Determinants of Health Seeking Behavior among Caregivers of Infants Admitted with Acute Childhood Illnesses at Kenyatta National Hospital, Nairobi, Kenya. <i>International Journal of Pediatrics (United Kingdom)</i> , 2018 , 2018, 5190287	2.1	12
29	Exploring barriers to seeking health care among Kenyan Somali women with female genital mutilation: a qualitative study. <i>BMC International Health and Human Rights</i> , 2020 , 20, 3	2.5	10
28	Memory deficits associated with khat (<i>Catha edulis</i>) use in rodents. <i>Metabolic Brain Disease</i> , 2016 , 31, 45-52	3.9	9
27	Effect of community based health education on knowledge and attitude towards iron and folic acid supplementation among pregnant women in Kiambu County, Kenya: A quasi experimental study. <i>PLoS ONE</i> , 2019 , 14, e0224361	3.7	9
26	Cross-species and tissue variations in cyanide detoxification rates in rodents and non-human primates on protein-restricted diet. <i>Food and Chemical Toxicology</i> , 2014 , 66, 203-9	4.7	8
25	Female Genital Mutilation/Cutting: sharing data and experiences to accelerate eradication and improve care: part 2. <i>Reproductive Health</i> , 2017 , 14,	3.5	7
24	Female Genital Mutilation/Cutting: Innovative Training Approach for Nurse-Midwives in High Prevalent Settings. <i>Obstetrics and Gynecology International</i> , 2018 , 2018, 5043512	2	7
23	Metabolic syndrome and its components among university students in Kenya. <i>BMC Public Health</i> , 2017 , 17, 909	4.1	6
22	Preoperative Fasting among Adult Patients for Elective Surgery in a Kenyan Referral Hospital. <i>International Scholarly Research Notices</i> , 2017 , 2017, 2159606	0	6
21	Shifts in female genital mutilation/cutting in Kenya: Perspectives of families and health care providers 2018 ,		6

20	Physiological, Behavioral, and Dietary Characteristics Associated with Hypertension among Kenyan Defence Forces. <i>ISRN Preventive Medicine</i> , 2013 , 2013, 740143		6
19	Maternal knowledge on iron and folic acid supplementation and associated factors among pregnant women in a rural County in Kenya. <i>International Journal of Africa Nursing Sciences</i> , 2019 , 10, 74-80	1.3	6
18	Health impacts of female genital mutilation/cutting: A synthesis of the evidence 2016 ,		5
17	Effect of a community-based approach of iron and folic acid supplementation on compliance by pregnant women in Kiambu County, Kenya: A quasi-experimental study. <i>PLoS ONE</i> , 2020 , 15, e0227351	3.7	4
16	Gender Differences in the Pattern of Socio-Demographics Relevant to Metabolic Syndrome Among Kenyan Adults with Central Obesity at a Mission Hospital in Nairobi, Kenya. <i>High Blood Pressure and Cardiovascular Prevention</i> , 2020 , 27, 61-82	2.9	4
15	Counselling and knowledge on iron and folic acid supplementation (IFAS) among pregnant women in Kiambu County, Kenya: a cross-sectional study. <i>AAS Open Research</i> , 2019 , 1, 21	1.8	4
14	Counselling and knowledge on iron and folic acid supplementation (IFAS) among pregnant women in Kiambu County, Kenya: a cross-sectional study. <i>AAS Open Research</i> , 2019 , 1, 21	1.8	4
13	Female genital mutilation/cutting: Emerging factors sustaining medicalization related changes in selected Kenyan communities. <i>PLoS ONE</i> , 2020 , 15, e0228410	3.7	3
12	Counselling on iron and folic acid supplementation (IFAS) is associated with improved knowledge among pregnant women in a rural county of Kenya: a cross-sectional study. <i>AAS Open Research</i> , 1, 21	1.8	3
11	Determinants of harmful use of alcohol among urban slum dwelling adults in Kenya. <i>African Health Sciences</i> , 2019 , 19, 2906-2925	1.1	3
10	Association of dietary patterns and practices on metabolic syndrome in adults with central obesity attending a mission hospital in Kenya: a cross-sectional study. <i>BMJ Open</i> , 2020 , 10, e039131	3	2
9	Association of dietary patterns and practices on metabolic syndrome in adults with central obesity attending a mission hospital in Kenya: a cross-sectional study. <i>BMJ Open</i> , 2020 , 10, e039131	3	0
8	A Situation Assessment of Community Health Workers' Preparedness in Supporting Health System Response to COVID-19 in Kenya, Senegal, and Uganda.. <i>Journal of Primary Care and Community Health</i> , 2022 , 13, 21501319211073415	2.1	0
7	Community-based lifestyle intervention improves metabolic syndrome and related markers among Kenyan adults. <i>Journal of Diabetes and Metabolic Disorders</i> , 1	2.5	0
6	Quality of services offered to women with female genital mutilation across health facilities in a Kenyan County.. <i>BMC Health Services Research</i> , 2022 , 22, 614	2.9	0
5	553 The Beat goes away: sexual disorders of married women with female genital mutilation /cutting in Kenya. <i>Journal of Sexual Medicine</i> , 2018 , 15, S329-S330	1.1	
4	Female genital mutilation/cutting: Emerging factors sustaining medicalization related changes in selected Kenyan communities 2020 , 15, e0228410		
3	Female genital mutilation/cutting: Emerging factors sustaining medicalization related changes in selected Kenyan communities 2020 , 15, e0228410		

2 Female genital mutilation/cutting: Emerging factors sustaining medicalization related changes in selected Kenyan communities **2020**, 15, e0228410
