#	ARTICLE	IF	CITATIONS
1	An Overview of 9/11 Experiences and Respiratory and Mental Health Conditions among World Trade Center Health Registry Enrollees. <i>Journal of Urban Health</i> , 2008, 85, 880-909.	3.6	281
2	Asthma Diagnosed after 11 September 2001 among Rescue and Recovery Workers: Findings from the World Trade Center Health Registry. <i>Environmental Health Perspectives</i> , 2007, 115, 1584-1590.	6.0	110
3	Association Between World Trade Center Exposure and Excess Cancer Risk. <i>JAMA - Journal of the American Medical Association</i> , 2012, 308, 2479.	7.4	102
4	Sarcoidosis Diagnosed After September 11, 2001, Among Adults Exposed to the World Trade Center Disaster. <i>Journal of Occupational and Environmental Medicine</i> , 2011, 53, 966-974.	1.7	83
5	Unmet mental health care need 10 years after the 9/11 terrorist attacks: 2011-2012 results from the World Trade Center Health Registry. <i>BMC Public Health</i> , 2014, 14, 491.	2.9	81
6	Cardiovascular Disease Hospitalizations in Relation to Exposure to the September 11, 2001 World Trade Center Disaster and Posttraumatic Stress Disorder. <i>Journal of the American Heart Association</i> , 2013, 2, e000431.	3.7	76
7	Gender differences in probable posttraumatic stress disorder among police responders to the 2001 World Trade Center terrorist attack. <i>American Journal of Industrial Medicine</i> , 2010, 53, 1186-1196.	2.1	74
8	Gastroesophageal Reflux Symptoms and Comorbid Asthma and Posttraumatic Stress Disorder Following the 9/11 Terrorist Attacks on World Trade Center in New York City. <i>American Journal of Gastroenterology</i> , 2011, 106, 1933-1941.	0.4	71
9	Longitudinal mental health impact among police responders to the 9/11 terrorist attack. <i>American Journal of Industrial Medicine</i> , 2012, 55, 297-312.	2.1	67
10	Mortality among survivors of the Sept 11, 2001, World Trade Center disaster: results from the World Trade Center Health Registry cohort. <i>Lancet, The</i> , 2011, 378, 879-887.	13.7	56
11	Persistent mental and physical health impact of exposure to the September 11, 2001 World Trade Center terrorist attacks. <i>Environmental Health</i> , 2019, 18, 12.	4.0	56
12	Police officers who responded to 9/11: Comorbidity of PTSD, depression, and anxiety 10 years later. <i>American Journal of Industrial Medicine</i> , 2016, 59, 425-436.	2.1	55
13	Co-occurring Lower Respiratory Symptoms and Posttraumatic Stress Disorder 5 to 6 Years After the World Trade Center Terrorist Attack. <i>American Journal of Public Health</i> , 2012, 102, 1964-1973.	2.7	52
14	Ten-year cancer incidence in rescue/recovery workers and civilians exposed to the September 11, 2001 terrorist attacks on the World Trade Center. <i>American Journal of Industrial Medicine</i> , 2016, 59, 709-721.	2.1	52
15	Chronic probable ptsd in police responders in the world trade center health registry ten to eleven years after 9/11. <i>American Journal of Industrial Medicine</i> , 2015, 58, 483-493.	2.1	51
16	Factors associated with poor control of 9/11-related asthma 10 years after the 2001 World Trade Center terrorist attacks. <i>Journal of Asthma</i> , 2015, 52, 630-637.	1.7	50
17	Chronic Physical Health Consequences of Being Injured During the Terrorist Attacks on World Trade Center on September 11, 2001. <i>American Journal of Epidemiology</i> , 2014, 179, 1076-1085.	3.4	46
18	Cancer in World Trade Center responders: Findings from multiple cohorts and options for future study. <i>American Journal of Industrial Medicine</i> , 2016, 59, 96-105.	2.1	43

#	ARTICLE	IF	CITATIONS
19	Social integration buffers stress in New York police after the 9/11 terrorist attack. <i>Anxiety, Stress and Coping</i> , 2014, 27, 18-26.	2.9	42
20	Frequent binge drinking five to six years after exposure to 9/11: Findings from the World Trade Center Health Registry. <i>Drug and Alcohol Dependence</i> , 2014, 140, 1-7.	3.2	42
21	Respiratory protective equipment, mask use, and respiratory outcomes among World Trade Center rescue and recovery workers. <i>American Journal of Industrial Medicine</i> , 2011, 54, 897-905.	2.1	34
22	Association Between Posttraumatic Stress Disorder and Mortality Among Responders and Civilians Following the September 11, 2001, Disaster. <i>JAMA Network Open</i> , 2020, 3, e1920476.	5.9	33
23	Comparison of health outcomes among affiliated and lay disaster volunteers enrolled in the World Trade Center Health Registry. <i>Preventive Medicine</i> , 2011, 53, 359-363.	3.4	28
24	Risk factors for and consequences of persistent lower respiratory symptoms among World Trade Center Health Registrants 10 years after the disaster. <i>Occupational and Environmental Medicine</i> , 2016, 73, 676-684.	2.8	25
25	Risk factors for persistence of lower respiratory symptoms among community members exposed to the 2001 World Trade Center terrorist attacks. <i>Occupational and Environmental Medicine</i> , 2017, 74, 449-455.	2.8	23
26	Comorbidity amplifies the effects of post-9/11 posttraumatic stress disorder trajectories on health-related quality of life. <i>Quality of Life Research</i> , 2018, 27, 651-660.	3.1	21
27	Effect of asthma and PTSD on persistence and onset of gastroesophageal reflux symptoms among adults exposed to the September 11, 2001, terrorist attacks. <i>American Journal of Industrial Medicine</i> , 2016, 59, 805-814.	2.1	20
28	A PTSD symptoms trajectory mediates between exposure levels and emotional support in police responders to 9/11: a growth curve analysis. <i>BMC Psychiatry</i> , 2016, 16, 201.	2.6	17
29	Posttraumatic Stress Disorder, Gender, and Risk Factors: World Trade Center Tower Survivors 10 to 11 Years After the September 11, 2001 Attacks. <i>Journal of Traumatic Stress</i> , 2017, 30, 564-570.	1.8	17
30	A qualitative examination of health and health care utilization after the September 11th terror attacks among World Trade Center Health Registry enrollees. <i>BMC Public Health</i> , 2012, 12, 721.	2.9	16
31	An Introduction to Probabilistic Record Linkage with a Focus on Linkage Processing for WTC Registries. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 6937.	2.6	16
32	Pulmonary Fibrosis among World Trade Center Responders: Results from the WTC Health Registry Cohort. <i>International Journal of Environmental Research and Public Health</i> , 2019, 16, 825.	2.6	15
33	Population-based age adjustment tables for use in occupational hearing conservation programs. <i>International Journal of Audiology</i> , 2020, 59, S20-S30.	1.7	14
34	9/11 Residential Exposures: The Impact of World Trade Center Dust on Respiratory Outcomes of Lower Manhattan Residents. <i>International Journal of Environmental Research and Public Health</i> , 2019, 16, 798.	2.6	13
35	Combining Three Cohorts of World Trade Center Rescue/Recovery Workers for Assessing Cancer Incidence and Mortality. <i>International Journal of Environmental Research and Public Health</i> , 2021, 18, 1386.	2.6	13
36	Translating research into action: An evaluation of the World Trade Center Health Registry's Treatment Referral Program. <i>Disaster Health</i> , 2014, 2, 97-105.	0.6	12

#	ARTICLE	IF	CITATIONS
37	World Trade Center Exposure and Posttraumatic Growth: Assessing Positive Psychological Change 15 Years after 9/11. <i>International Journal of Environmental Research and Public Health</i> , 2021, 18, 104.	2.6	11
38	Mental health, long-term medication adherence, and the control of asthma symptoms among persons exposed to the WTC 9/11 disaster. <i>Journal of Asthma</i> , 2020, 57, 1253-1262.	1.7	10
39	Association Between Socioeconomic Status and Asthma-Related Emergency Department Visits Among World Trade Center Rescue and Recovery Workers and Survivors. <i>JAMA Network Open</i> , 2020, 3, e201600.	5.9	10
40	Cancer survival among World Trade Center rescue and recovery workers: A collaborative cohort study. <i>American Journal of Industrial Medicine</i> , 2021, 64, 815-826.	2.1	9
41	Temporal association of prostate cancer incidence with World Trade Center rescue/recovery work. <i>Occupational and Environmental Medicine</i> , 2021, 78, 699-706.	2.8	9
42	9/11-Related Experiences and Tasks of Landfill and Barge Workers: Qualitative Analysis from the World Trade Center Health Registry. <i>BMC Public Health</i> , 2011, 11, 321.	2.9	8
43	Cancer risk among World Trade Center rescue and recovery workers: A review. <i>Ca-A Cancer Journal for Clinicians</i> , 2022, 72, 308-314.	329.8	8
44	Associations between asthma trigger reports, mental health conditions, and asthma morbidity among world trade center rescue and recovery workers. <i>Journal of Asthma</i> , 2019, 56, 833-840.	1.7	7
45	World Trade Center Health Registry—A Model for a Nanomaterials Exposure Registry. <i>Journal of Occupational and Environmental Medicine</i> , 2011, 53, S48-S51.	1.7	6
46	Performance of Self-Report to Establish Cancer Diagnoses in Disaster Responders and Survivors, World Trade Center Health Registry, New York, 2001–2007. <i>Public Health Reports</i> , 2016, 131, 420-429.	2.5	6
47	Persistent Post-9/11 Hearing Problems Among World Trade Center Health Registry Rescue and Recovery Workers, 2001 to 2007. <i>Journal of Occupational and Environmental Medicine</i> , 2017, 59, 1229-1234.	1.7	6
48	Hearing Loss Among World Trade Center Firefighters and Emergency Medical Service Workers. <i>Journal of Occupational and Environmental Medicine</i> , 2019, 61, 996-1003.	1.7	6
49	Hospitalizations for asthma among adults exposed to the September 11, 2001 World Trade Center terrorist attack. <i>Journal of Asthma</i> , 2018, 55, 354-363.	1.7	5
50	Air Pollution/Irritants, Asthma Control, and Health-Related Quality of Life among 9/11-Exposed Individuals with Asthma. <i>International Journal of Environmental Research and Public Health</i> , 2019, 16, 1924.	2.6	5
51	Asthma-COPD overlap in World Trade Center Health Registry enrollees, 2015–2016. <i>Journal of Asthma</i> , 2021, 58, 1415-1423.	1.7	5
52	Impact of healthcare services on thyroid cancer incidence among World Trade Center–exposed rescue and recovery workers. <i>American Journal of Industrial Medicine</i> , 2021, 64, 861-872.	2.1	5
53	Asthma among Staten Island fresh kills landfill and barge workers following the September 11, 2001 World Trade Center terrorist attacks. <i>American Journal of Industrial Medicine</i> , 2016, 59, 795-804.	2.1	3
54	Persistent Hearing Loss among World Trade Center Health Registry Residents, Passersby and Area Workers, 2006–2007. <i>International Journal of Environmental Research and Public Health</i> , 2019, 16, 3864.	2.6	2

#	ARTICLE	IF	CITATIONS
55	Temporal Aspects of the Association between Exposure to the World Trade Center Disaster and Risk of Cutaneous Melanoma. <i>JID Innovations</i> , 2022, 2, 100063.	2.4	2
56	Confirming mortality in a longitudinal exposure cohort: optimizing National Death Index search result processing. <i>Annals of Epidemiology</i> , 2021, 56, 40-46.	1.9	1
57	9/11 Health Update. <i>International Journal of Environmental Research and Public Health</i> , 2021, 18, 6383.	2.6	0
