#	ARTICLE	IF	CITATIONS
1	Changes in antidepressant medication use in the workplace and sustainable employability: a qualitative study of experiences, strategies and solutions. <i>Archives of Environmental and Occupational Health</i> , 2022, 77, 35-45.	0.7	1
2	Factors affecting blood alcohol concentration (BAC) estimation and drinking intention during voluntary breath testing (VBT): a cross-sectional study. <i>Drugs: Education, Prevention and Policy</i> , 2022, 29, 519-527.	0.8	0
3	Persuasive Design Solutions for a Sustainable Workforce: Review of Persuasive Apps for Real-Time Capability Support for Rural Health Care Professionals. <i>JMIR MHealth and UHealth</i> , 2022, 10, e33413.	1.8	2
4	Persuasive Design Techniques and App Design Recommendations to Improve Health Workforce Capability in Rural Health Professionals: What Do Users Want and How Does an App Help?. <i>JMIR Human Factors</i> , 2022, 9, e35094.	1.0	0
5	Online multidisciplinary integrated rural healthcare education programs during the COVID-19 pandemic for students from different universities: experiences and guidelines. <i>Health Education</i> , 2022, 122, 202-216.	0.4	1
6	Development of a framework to promote rural health workforce capability through digital solutions: A qualitative study of user perspectives. <i>Digital Health</i> , 2022, 8, 205520762210890.	0.9	4
7	Strategic Guidance and Technological Solutions for Human Resources Management to Sustain an Aging Workforce: Review of International Standards, Research, and Use Cases. <i>JMIR Human Factors</i> , 2022, 9, e27250.	1.0	6
8	Identifying practical approaches to the normalisation of interprofessional collaboration in rural hospitals: A qualitative study among health professionals. <i>Journal of Interprofessional Care</i> , 2021, 35, 662-671.	0.8	2
9	Evaluation of a workshop using verbatim theatre stimuli to address challenging workplace situations: a pilot study. <i>Clinical Teacher</i> , 2021, 18, 43-50.	0.4	4
10	Perspectives of Australian GPs on tailoring fall risk management: a qualitative study. <i>Australian Journal of Primary Health</i> , 2021, 27, 409-415.	0.4	3
11	Geosocial Networking Dating App Usage and Risky Sexual Behavior in Young Adults Attending a Music Festival: Cross-sectional Questionnaire Study. <i>Journal of Medical Internet Research</i> , 2021, 23, e21082.	2.1	9
12	Motivations, dating app relationships, unintended consequences and change in sexual behaviour in dating app users at an Australian music festival. <i>Harm Reduction Journal</i> , 2021, 18, 49.	1.3	6
13	A novel blended placement model improves dietitian students' work-readiness and wellbeing and has a positive impact on rural communities: a qualitative study. <i>BMC Medical Education</i> , 2021, 21, 387.	1.0	1
14	Cannabis and its therapeutic value in the ageing population: Attitudes of healthcare providers. <i>Australasian Journal on Ageing</i> , 2021, 40, 261-274.	0.4	4
15	A qualitative exploration of medical students' placement experiences with telehealth during COVID-19 and recommendations to prepare our future medical workforce. <i>BMC Medical Education</i> , 2021, 21, 431.	1.0	24
16	Collaborative care: Primary health workforce and service delivery in Western New South Wales: A case study. <i>Australian Journal of Rural Health</i> , 2021, 29, 768-778.	0.7	4
17	COVID-19 and the ageing workforce: global perspectives on needs and solutions across 15 countries. <i>International Journal for Equity in Health</i> , 2021, 20, 221.	1.5	16
18	Workforce Development in Integrated Care: A Scoping Review. <i>International Journal of Integrated Care</i> , 2021, 21, 23.	0.1	7

#	ARTICLE	IF	CITATIONS
19	Influences on general practitioner referral to allied health professionals for fall prevention in primary care. <i>Australasian Journal on Ageing</i> , 2020, 39, e32-e39.	0.4	3
20	Medical student well-being during rural clinical placement: A cross-sectional national survey. <i>Medical Education</i> , 2020, 54, 547-558.	1.1	4
21	Patterns of ecstasy use amongst live music event attendees and their opinions on pill testing: a cross sectional study. <i>Substance Abuse Treatment, Prevention, and Policy</i> , 2020, 15, 55.	1.0	19
22	Medical students on long-term rural clinical placements and their perceptions of urban and rural internships: a qualitative study. <i>BMC Medical Education</i> , 2020, 20, 188.	1.0	7
23	Social vulnerability in a high-risk flood-affected rural region of NSW, Australia. <i>Natural Hazards</i> , 2020, 101, 631-650.	1.6	21
24	Swipe-based dating applications use and its association with mental health outcomes: a cross-sectional study. <i>BMC Psychology</i> , 2020, 8, 22.	0.9	27
25	Cross sectional analysis of depression amongst Australian rural business owners following cyclone-related flooding. <i>Journal of Occupational Medicine and Toxicology</i> , 2020, 15, 12.	0.9	7
26	Do cognitive aids reduce error rates in resuscitation team performance? Trial of emergency medicine protocols in simulation training (TEMPIST) in Australia. <i>Human Resources for Health</i> , 2020, 18, 1.	1.1	79
27	Translating facilitated multimodal online learning into effective person-centred practice for the person living with dementia among health care staff in Australia: an observational study. <i>BMC Geriatrics</i> , 2020, 20, 33.	1.1	6
28	Emotional exhaustion among regional doctors in training and the application of international guidelines on sustainable employability management for organisations. <i>Australian Health Review</i> , 2020, 44, 609-617.	0.5	13
29	A Web-Based Dementia Education Program and its Application to an Australian Web-Based Dementia Care Competency and Training Network: Integrative Systematic Review. <i>Journal of Medical Internet Research</i> , 2020, 22, e16808.	2.1	19
30	Telehealth in the Context of COVID-19: Changing Perspectives in Australia, the United Kingdom, and the United States. <i>Journal of Medical Internet Research</i> , 2020, 22, e19264.	2.1	350
31	Beyond the black stump: rapid reviews of health research issues affecting regional, rural and remote Australia. <i>Medical Journal of Australia</i> , 2020, 213, S3-S32.e1.	0.8	19
32	Sexting and Mental Health Among Young Australians Attending a Musical Festival: A Cross Sectional Study. <i>Cyberpsychology, Behavior, and Social Networking</i> , 2019, 22, 521-528.	2.1	11
33	Mobile phone applications and their use in the self-management of Type 2 Diabetes Mellitus: a qualitative study among app users and non-app users. <i>Diabetology and Metabolic Syndrome</i> , 2019, 11, 84.	1.2	127
34	A positive approach to adolescent sexual health promotion: a qualitative evaluation of key stakeholder perceptions of the Australian Positive Adolescent Sexual Health (PASH) Conference. <i>BMC Public Health</i> , 2019, 19, 681.	1.2	13
35	Qualitative exploration of the impact of employment and volunteering upon the health and wellbeing of African refugees settled in regional Australia: a refugee perspective. <i>BMC Public Health</i> , 2019, 19, 143.	1.2	35
36	An evaluation of the maintenance to abstinence (MTA) program in achieving abstinence in opioid users and improving mental health and quality of life. <i>Addiction Science &amp; Clinical Practice</i> , 2019, 14, 4.	1.2	0

#	ARTICLE	IF	CITATIONS
37	Differential Mental Health Impact Six Months After Extensive River Flooding in Rural Australia: A Cross-Sectional Analysis Through an Equity Lens. <i>Frontiers in Public Health</i> , 2019, 7, 367.	1.3	31
38	Effect of Serial Anthropometric Measurements and Motivational Text Messages on Weight Reduction Among Workers: Pilot Randomized Controlled Trial. <i>JMIR MHealth and UHealth</i> , 2019, 7, e11832.	1.8	1
39	Self-efficacy reduces the impact of social isolation on medical student's rural career intent. <i>BMC Medical Education</i> , 2018, 18, 42.	1.0	14
40	Health professional students' rural placement satisfaction and rural practice intentions: A national cross-sectional survey. <i>Australian Journal of Rural Health</i> , 2018, 26, 26-32.	0.7	47
41	Completion rates and psychosocial intervention effectiveness in an Australian substance use therapeutic community. <i>Substance Abuse Treatment, Prevention, and Policy</i> , 2018, 13, 33.	1.0	22
42	Factors influencing early withdrawal from a drug and alcohol treatment program and client perceptions of successful recovery and employment: a qualitative study. <i>BMC Psychiatry</i> , 2018, 18, 301.	1.1	13
43	Ruralization of students' horizons: insights into Australian health professional students' rural and remote placements. <i>Journal of Multidisciplinary Healthcare</i> , 2018, Volume 11, 85-97.	1.1	36
44	Perceived driving safety and estimated blood alcohol concentration (BAC) the morning after drinking amongst young Australians attending a music festival: a cross-sectional survey. <i>Substance Abuse Treatment, Prevention, and Policy</i> , 2018, 13, 25.	1.0	8
45	Making fall prevention routine in primary care practice: perspectives of allied health professionals. <i>BMC Health Services Research</i> , 2018, 18, 598.	0.9	28
46	Music festival attendees' illicit drug use, knowledge and practices regarding drug content and purity: a cross-sectional survey. <i>Harm Reduction Journal</i> , 2018, 15, 1.	1.3	122
47	Can the work ability model provide a useful explanatory framework to understand sustainable employability amongst general practitioners: a qualitative study. <i>Human Resources for Health</i> , 2018, 16, 32.	1.1	15
48	Preparing the future workforce to address the health needs of small rural Australian towns through non-traditional allied health student placements. <i>International Journal of Integrated Care</i> , 2018, 18, 65.	0.1	1
49	Integrated solutions for sustainable fall prevention in primary care, the iSOLVE project: a type 2 hybrid effectiveness-implementation design. <i>Implementation Science</i> , 2017, 12, 12.	2.5	25
50	General practitioners' experiences and perceptions of mild moderate depression management and factors influencing effective service delivery in rural Australian communities: a qualitative study. <i>International Journal of Mental Health Systems</i> , 2017, 11, 54.	1.1	3
51	First Metatarsophalangeal Joint Arthrodesis in Hallux Valgus Versus Hallux Rigidus Using Cup and Cone; Preparation Compression Screw and Dorsal Plate Fixation. <i>Cureus</i> , 2017, 9, e1786.	0.2	5
52	Qualitative investigation of the reasons behind opposition to water fluoridation in regional NSW, Australia. <i>Public Health Research and Practice</i> , 2017, 27, .	0.7	1
53	Actual availability of appointments at general practices in regional New South Wales, Australia. <i>Australian Family Physician</i> , 2017, 46, 321-324.	0.5	1
54	Errors and Predictors of Confidence in Condom Use amongst Young Australians Attending a Music Festival. <i>Journal of Sexually Transmitted Diseases</i> , 2016, 2016, 1-9.	1.0	11

#	ARTICLE	IF	CITATIONS
