#	ARTICLE	IF	CITATIONS
1	Revival of Eastern Swamp Deer <i>Rucervus duvaucelii ranjitsinhi</i> (Groves, 1982) in Manas National Park of Assam, India. <i>Journal of Threatened Taxa</i> , 2022, 14, 20488-20493.	0.3	2
2	Study on land-use and land-cover change dynamics in Eastern Arunachal Pradesh, N.E. India using remote sensing and GIS. <i>Tropical Ecology</i> , 2019, 60, 199-208.	1.2	10
3	Vegetation Phenological Characterization of Alluvial Plain <i>Shorea robusta</i> -dominated Tropical Moist Deciduous Forest of Northeast India Using MODIS NDVI Time Series Data. <i>Journal of the Indian Society of Remote Sensing</i> , 2019, 47, 1287-1293.	2.4	6
4	Tree diversity assessment and above ground forests biomass estimation using SAR remote sensing: A case study of higher altitude vegetation of North-East Himalayas, India. <i>Physics and Chemistry of the Earth</i> , 2019, 111, 53-64.	2.9	25
5	Phylogenetic diversity patterns in Himalayan forests reveal evidence for environmental filtering of distinct lineages. <i>Ecosphere</i> , 2018, 9, e02157.	2.2	30
6	Soil organic carbon stabilization changes with an altitude gradient of land cover types in central Himalaya, India. <i>Catena</i> , 2018, 170, 374-385.	5.0	21
7	Development of Decadal (1985â€“1995â€“2005) Land Use and Land Cover Database for India. <i>Remote Sensing</i> , 2015, 7, 2401-2430.	4.0	202
8	Implementation of Forest Canopy Density Model to Monitor Tropical Deforestation. <i>Journal of the Indian Society of Remote Sensing</i> , 2013, 41, 469-475.	2.4	25
9	High Dominance of <i>Shorea robusta</i> ; Gaertn. in Alluvial Plain Kamrup Sal Forest of Assam, N. E. India. <i>International Journal of Ecosystem</i> , 2012, 2, 67-73.	1.0	18
10	Extended distribution and assessment of conservation status of <i>Impatiens exilis</i> Hook. f. (Balsaminaceae) an endemic species of Eastern Himalaya. <i>Plant Science Today</i> , 0, , .	0.7	0
