#	ARTICLE	IF	CITATIONS
1	The effects of an intradialytic resistance training on lower extremity muscle functions. <i>Disability and Rehabilitation</i> , 2022, 44, 275-281.	1.8	7
2	The role of diabetes mellitus in the effectiveness of intradialytic exercise intervention on patients's muscle function. <i>Endocrinologia, Diabetes Y Nutrici3n</i> , 2022, 69, 112-121.	0.3	0
3	Health Literacy and Change in Health-Related Quality of Life in Dialysed Patients. <i>International Journal of Environmental Research and Public Health</i> , 2022, 19, 620.	2.6	0
4	The role of diabetes mellitus in the effectiveness of intradialytic exercise intervention on patients's muscle function. <i>Endocrinolog3a Diabetes Y Nutrici3n (English Ed)</i> , 2022, 69, 112-121.	0.2	1
5	How to make healthy early childhood development more likely in marginalized Roma communities: a concept mapping approach. <i>International Journal for Equity in Health</i> , 2022, 21, 43.	3.5	2
6	Body image, body composition and environment: do they affect adolescents's physical activity?. <i>European Journal of Public Health</i> , 2022, 32, 341-346.	0.3	3
7	Subjective perception of life stress events affects long-term pain: the role of resilience. <i>BMC Psychology</i> , 2022, 10, 54.	2.1	0
8	Family Socioeconomic Status and Adolescent School Satisfaction: Does Schoolwork Support Affect This Association?. <i>Frontiers in Psychology</i> , 2022, 13, 841499.	2.1	3
9	Do Neighbors Have More Peaceful Students? Youth Violence Profiles among Adolescents in the Czech Republic, Hungary, Poland, and Slovakia. <i>International Journal of Environmental Research and Public Health</i> , 2022, 19, 7964.	2.6	3
10	The Association of Family-Related Adversity With Fighting in Adolescents: Does Hopelessness Mediate This Association?. <i>International Journal of Public Health</i> , 2021, 66, 607199.	2.3	3
11	Health-Related Quality of Life Profiles in Dialyzed Patients With Varying Health Literacy. A Cross-Sectional Study on Slovak Haemodialyzed Population. <i>International Journal of Public Health</i> , 2021, 66, 585801.	2.3	4
12	The Impact of Pandemic Management on the Quality of Life of Slovak Dentists. <i>International Journal of Environmental Research and Public Health</i> , 2021, 18, 5484.	2.6	14
13	The role of physical activity and miRNAs in the vascular aging and cardiac health of dialysis patients. <i>Physiological Reports</i> , 2021, 9, e14879.	1.7	5
14	Vascular access as a survival factor for the hemodialysis population: a retrospective study. <i>International Angiology</i> , 2021, 39, 525-531.	0.9	4
15	Does Resilience Mediate the Association of Adverse Early Childhood Experiences With Emotional and Behavioural Problems?. <i>International Journal of Public Health</i> , 2021, 66, 1604006.	2.3	6
16	Does Schoolmate and Teacher Support Buffer against the Effect of Adverse Childhood Experiences on Emotional and Behavioural Problems?. <i>International Journal of Environmental Research and Public Health</i> , 2021, 18, 13009.	2.6	3
17	Why don't health care frontline professionals do more for segregated Roma? Exploring mechanisms supporting unequal care practices. <i>Social Science and Medicine</i> , 2020, 246, 112739.	3.8	8
18	MicroRNA molecules as predictive biomarkers of adaptive responses to strength training and physical inactivity in haemodialysis patients. <i>Scientific Reports</i> , 2020, 10, 15597.	3.3	7

#	ARTICLE	IF	CITATIONS
19	Adolescent Enrollment in Psychosocial Care: Do Parents Make a Difference?. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 7066.	2.6	4
20	Physical Activity Recommendations for Segments of School Days in Adolescents: Support for Health Behavior in Secondary Schools. <i>Frontiers in Public Health</i> , 2020, 8, 527442.	2.7	15
21	Does Depression and Anxiety Mediate the Relation between Limited Health Literacy and Diet Non-Adherence?. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 7913.	2.6	10
22	The contribution of the network "Health Behavior in School-aged Children" to the health of young people in Central and Eastern Europe. <i>International Journal of Public Health</i> , 2020, 65, 1223-1224.	2.3	0
23	P1498 ASSOCIATIONS OF HEALTH LITERACY WITH DEPRESSION AND ANXIETY IN DIALYSED PATIENTS IN SLOVAKIA. <i>Nephrology Dialysis Transplantation</i> , 2020, 35, .	0.7	0
24	Teacher and classmate support may keep adolescents satisfied with school and education. Does gender matter?. <i>International Journal of Public Health</i> , 2020, 65, 1423-1429.	2.3	7
25	Adolescents exposed to discrimination: are they more prone to excessive internet use?. <i>BMC Pediatrics</i> , 2020, 20, 402.	1.7	7
26	School is (not) calling: the associations of gender, family affluence, disruptions in the social context and learning difficulties with school satisfaction among adolescents in Slovakia. <i>International Journal of Public Health</i> , 2020, 65, 1413-1421.	2.3	5
27	Does family communication moderate the association between adverse childhood experiences and emotional and behavioural problems?. <i>BMC Public Health</i> , 2020, 20, 1264.	2.9	13
28	100 Years of IJPH: looking back and ahead. <i>International Journal of Public Health</i> , 2020, 65, 1517-1518.	2.3	0
29	Test-Retest Reliability of a Questionnaire on Motives for Physical Activity among Adolescents. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 7551.	2.6	0
30	Roma Ethnicity and Sex-Specific Associations of Serum Uric Acid with Cardiometabolic and Hepatorenal Health Factors in Eastern Slovakian Population: The HepaMeta Study. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 7673.	2.6	7
31	What is the Role of the Horizontal Transmission of Hepatitis B Virus Infection in Young Adult and Middle-Aged Roma Population Living in the Settlements in East Slovakia?. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 3293.	2.6	6
32	Health Literacy Associations with Periodontal Disease among Slovak Adults. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 2152.	2.6	6
33	Is BMI a Valid Indicator of Overweight and Obesity for Adolescents?. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 4815.	2.6	33
34	When a Head Is about to Burst: Attachment Mediates the Relationship Between Childhood Trauma and Migraine. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 4579.	2.6	7
35	Living with Systemic Lupus Erythematosus: A Profile of Young Female Patients. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 1315.	2.6	5
36	Does Health Literacy of Hemodialyzed Patients Predict the Type of Their Vascular Access? A Cross-Sectional Study on Slovak Hemodialyzed Population. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 675.	2.6	3

#	ARTICLE	IF	CITATIONS
37	The Unholy Trinity: Childhood Trauma, Adulthood Anxiety, and Long-Term Pain. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 414.	2.6	22
38	The Roma Population Living in Segregated Settlements in Eastern Slovakia Has a Higher Prevalence of Metabolic Syndrome, Kidney Disease, Viral Hepatitis B and E, and Some Parasitic Diseases Compared to the Majority Population. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 3112.	2.6	18
39	Juvenile Idiopathic Arthritis: Roma Children Seem to Run More Risk than Non-Roma. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 2377.	2.6	2
40	Appropriate Employment for Segregated Roma: Mechanisms in a Public-Private Partnership Project. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 3588.	2.6	5
