#	Paper	IF	Citations
49	Salutogenically focused outcomes in systematic reviews of intrapartum interventions: a systematic review of systematic reviews. <i>Midwifery</i> , 2014 , 30, e151-6	2.8	42
48	Clinicians' views of factors influencing decision-making for caesarean section: A systematic review and metasynthesis of qualitative, quantitative and mixed methods studies. <i>PLoS ONE</i> , 2018 , 13, e0200941	3.7	41
47	Prevalence of and risk factors associated with sexual health issues in primiparous women at 6 and 12 months postpartum; a longitudinal prospective cohort study (the MAMMI study). <i>BMC Pregnancy and Childbirth</i> , 2018 , 18, 196	3.2	36
46	Variations in use of childbirth interventions in 13 high-income countries: A multinational cross-sectional study. <i>PLoS Medicine</i> , 2020 , 17, e1003103	11.6	31
45	Urinary incontinence in nulliparous women before and during pregnancy: prevalence, incidence, type, and risk factors. <i>International Urogynecology Journal</i> , 2018 , 29, 353-362	2	27
44	Improving the organisation of maternal health service delivery and optimising childbirth by increasing vaginal birth after caesarean section through enhanced women-centred care (OptiBIRTH trial): study protocol for a randomised controlled trial (ISRCTN10612254). <i>Trials</i> , 2015 , 16, 542	2.8	20
43	The prevalence of women's emotional and physical health problems following a postpartum haemorrhage: a systematic review. <i>BMC Pregnancy and Childbirth</i> , 2016 , 16, 261	3.2	18
42	Vaginal birth after caesarean versus elective repeat caesarean delivery after one previous caesarean section: a cost-effectiveness analysis in four European countries. <i>BMC Pregnancy and Childbirth</i> , 2018 , 18, 92	3.2	17
41	Shared decision-making in maternity care: Acknowledging and overcoming epistemic defeaters. <i>Journal of Evaluation in Clinical Practice</i> , 2019 , 25, 1113-1120	2.5	16
40	Economic burden of maternal morbidity - A systematic review of cost-of-illness studies. <i>PLoS ONE</i> , 2020 , 15, e0227377	3.7	14
39	Protocol for the development of a salutogenic intrapartum core outcome set (SIPCOS). <i>BMC Medical Research Methodology</i> , 2017 , 17, 61	4.7	13
38	How much synthetic oxytocin is infused during labour? A review and analysis of regimens used in 12 countries. <i>PLoS ONE</i> , 2020 , 15, e0227941	3.7	12
37	Respectful and disrespectful care in the Czech Republic: an online survey. <i>Reproductive Health</i> , 2018 , 15, 198	3.5	11
36	Factors influencing decision-making for caesarean section in Sweden - a qualitative study. <i>BMC Pregnancy and Childbirth</i> , 2018 , 18, 377	3.2	11
35	The Impact of the Physical Environment on Intrapartum Maternity Care: Identification of Eight Crucial Building Spaces. <i>Herd</i> , 2019 , 12, 67-98	2.4	9
34	Prognostic factors for pregnancy-related pelvic girdle pain, a systematic review. <i>Midwifery</i> , 2018 , 66, 70-78	2.8	8
33	Mode of birth and postnatal health-related quality of life after one previous cesarean in three European countries. <i>Birth</i> , 2018 , 45, 137-147	3.1	8

32	Variations in childbirth interventions in high-income countries: protocol for a multinational cross-sectional study. <i>BMJ Open</i> , 2018 , 8, e017993	3	7
31	Readmission following caesarean section: Outcomes for women in an Irish maternity hospital. <i>British Journal of Midwifery</i> , 2016 , 24, 322-328	0.3	7
30	Preference of birth mode and postnatal health related quality of life after one previous caesarean section in three European countries. <i>Midwifery</i> , 2019 , 79, 102536	2.8	6
29	Motivators and challenges to research recruitment - A qualitative study with midwives. <i>Midwifery</i> , 2019 , 74, 14-20	2.8	6
28	Learning about midwifery in another country from a distance: Evaluation of a virtual classroom learning session. <i>Nurse Education Today</i> , 2019 , 75, 47-52	3.7	6
27	Inter-institutional variations in oxytocin augmentation during labour in German university hospitals: a national survey. <i>BMC Pregnancy and Childbirth</i> , 2019 , 19, 238	3.2	6
26	Hypertension in pregnancy: Prevalence, risk factors and outcomes for women birthing in Ireland. <i>Pregnancy Hypertension</i> , 2021 , 24, 1-6	2.6	6
25	OptiBIRTH: a cluster randomised trial of a complex intervention to increase vaginal birth after caesarean section. <i>BMC Pregnancy and Childbirth</i> , 2020 , 20, 143	3.2	5
24	Predictors of choice of public and private maternity care among nulliparous women in Ireland, and implications for maternity care and birth experience. <i>Health Policy</i> , 2020 , 124, 556-562	3.2	5
23	Comparison of labour and birth outcomes between nulliparous women who used epidural analgesia in labour and those who did not: A prospective cohort study. <i>Women and Birth</i> , 2021 , 34, e435-e441	3.3	5
22	Learning about pelvic floor muscle exercises before and during pregnancy: a cross-sectional study. <i>International Urogynecology Journal</i> , 2019 , 30, 965-975	2	5
21	Midwives' contribution to normal childbirth care. Cross-sectional study in public health Settings. MidconBirth Study protocol. <i>European Journal of Midwifery</i> , 2017 , 1,	0.7	4
20	Economic implications of reducing caesarean section rates - Analysis of two health systems. <i>PLoS ONE</i> , 2020 , 15, e0228309	3.7	4
19	The maternal health-related issues that matter most to women in Ireland as they transition to motherhood - A qualitative study. <i>Women and Birth</i> , 2021 ,	3.3	4
18	Labour characteristics of women achieving successful vaginal birth after caesarean section in three European countries. <i>Midwifery</i> , 2019 , 74, 36-43	2.8	3
17	Stop, think, reflect, realize-first-time mothers' views on taking part in longitudinal maternal health research. <i>Health Expectations</i> , 2019 , 22, 415-425	3.7	3
16	Process evaluation for OptiBIRTH, a randomised controlled trial of a complex intervention designed to increase rates of vaginal birth after caesarean section. <i>Trials</i> , 2018 , 19, 9	2.8	2
15	Influence of women's request and preference on the rising rate of caesarean section - a comparison of reviews. <i>Midwifery</i> , 2020 , 88, 102765	2.8	2

14	A systematic review of utility-based and disease-specific quality of life measurement instruments for women with urinary incontinence. <i>Neurourology and Urodynamics</i> , 2021 , 40, 1275-1303	2.3	2
13	The effectiveness and characteristics of pregnancy yoga interventions: a systematic review protocol. <i>HRB Open Research</i> , 2019 , 2, 33	1.2	1
12	The effectiveness and characteristics of pregnancy yoga interventions: a systematic review protocol. <i>HRB Open Research</i> , 2019 , 2, 33	1.2	1
11	Risk factors for pregnancy-related pelvic girdle pain: a scoping review. <i>BMC Pregnancy and Childbirth</i> , 2020 , 20, 739	3.2	1
10	Women's views and experiences of augmentation of labour with synthetic oxytocin infusion: a protocol for a qualitative evidence synthesis.. <i>HRB Open Research</i> , 2021 , 4, 127	1.2	1
9	Oxytocin administration for induction and augmentation of labour in polish maternity units - an observational study. <i>BMC Pregnancy and Childbirth</i> , 2021 , 21, 764	3.2	0
8	Factors associated with maternal readmission to hospital, attendance at emergency rooms or visits to general practitioners within three months postpartum. <i>European Journal of Obstetrics, Gynecology and Reproductive Biology</i> , 2020 , 254, 251-258	2.4	0
7	The characteristics and effectiveness of pregnancy yoga interventions: a systematic review and meta-analysis.. <i>BMC Pregnancy and Childbirth</i> , 2022 , 22, 250	3.2	0
6	Maternal mental health in the first year postpartum in a large Irish population cohort: the MAMMI study.. <i>Archives of Women's Mental Health</i> , 2022 , 25, 641-653	5	0
5	Women's views and experiences of augmentation of labour with synthetic oxytocin infusion. A protocol for a qualitative evidence synthesis.. <i>HRB Open Research</i> , 2021 , 4, 127	1.2	
4	How much synthetic oxytocin is infused during labour? A review and analysis of regimens used in 12 countries 2020 , 15, e0227941		
3	How much synthetic oxytocin is infused during labour? A review and analysis of regimens used in 12 countries 2020 , 15, e0227941		
2	How much synthetic oxytocin is infused during labour? A review and analysis of regimens used in 12 countries 2020 , 15, e0227941		
1	How much synthetic oxytocin is infused during labour? A review and analysis of regimens used in 12 countries 2020 , 15, e0227941
