#	ARTICLE	IF	CITATIONS
1	Closeness and separation in neonatal intensive care. <i>Acta Paediatrica, International Journal of Paediatrics</i> , 2012, 101, 1032-1037.	0.7	341
2	Shame if you do “ shame if you don't: women's experiences of infant feeding. <i>Maternal and Child Nutrition</i> , 2015, 11, 33-46.	1.4	147
3	Post-traumatic stress disorder following childbirth: an update of current issues and recommendations for future research. <i>Journal of Reproductive and Infant Psychology</i> , 2015, 33, 219-237.	0.9	123
4	Tormented by ghosts from their past™: A meta-synthesis to explore the psychosocial implications of a traumatic birth on maternal well-being. <i>Midwifery</i> , 2014, 30, 185-193.	1.0	118
5	Women™s experiences of pharmacological and non-pharmacological pain relief methods for labour and childbirth: a qualitative systematic review. <i>Reproductive Health</i> , 2019, 16, 71.	1.2	94
6	Widening the trauma discourse: the link between childbirth and experiences of abuse. <i>Journal of Psychosomatic Obstetrics and Gynaecology</i> , 2008, 29, 268-273.	1.1	72
7	An integrative review exploring decision-making factors influencing mental health nurses in the use of restraint. <i>Journal of Psychiatric and Mental Health Nursing</i> , 2016, 23, 116-128.	1.2	66
8	Changing the future to change the past: women™s experiences of a positive birth following a traumatic birth experience. <i>Journal of Reproductive and Infant Psychology</i> , 2010, 28, 102-112.	0.9	65
9	Pathways to emotional closeness in neonatal units “ a cross-national qualitative study. <i>BMC Pregnancy and Childbirth</i> , 2016, 16, 170.	0.9	57
10	Minimising the use of physical restraint in acute mental health services: The outcome of a restraint reduction programme (“REsTRAIN YOURSELF™). <i>International Journal of Nursing Studies</i> , 2019, 95, 40-48.	2.5	54
11	“Catching your tail and firefighting”: The impact of staffing levels on restraint minimization efforts. <i>Journal of Psychiatric and Mental Health Nursing</i> , 2019, 26, 131-141.	1.2	51
12	Benefits of Incentives for Breastfeeding and Smoking cessation in pregnancy (BIBS): a mixed-methods study to inform trial design. <i>Health Technology Assessment</i> , 2015, 19, 1-522.	1.3	51
13	Giving me hope: women's reflections on a breastfeeding peer support service. <i>Maternal and Child Nutrition</i> , 2012, 8, 340-353.	1.4	48
14	Cross-cultural development and psychometric evaluation of a measure to assess fear of childbirth prior to pregnancy. <i>Sexual and Reproductive Healthcare</i> , 2016, 8, 49-54.	0.5	48
15	Women's Sense of Coherence related to their infant feeding experiences. <i>Maternal and Child Nutrition</i> , 2011, 7, 160-174.	1.4	47
16	Combining PPI with qualitative research to engage “harder-to-reach”™ populations: service user groups as co-applicants on a platform study for a trial. <i>Research Involvement and Engagement</i> , 2016, 2, 7.	1.1	47
17	A realist review of one-to-one breastfeeding peer support experiments conducted in developed country settings. <i>Maternal and Child Nutrition</i> , 2018, 14, .	1.4	44
18	Children™s Experiences of Domestic Violence: Developing an Integrated Response From Police and Child Protection Services. <i>Journal of Interpersonal Violence</i> , 2011, 26, 2372-2391.	1.3	43

#	ARTICLE	IF	CITATIONS
19	Why do some women choose to freebirth in the UK? An interpretative phenomenological study. <i>BMC Pregnancy and Childbirth</i> , 2016, 16, 59.	0.9	41
20	Incentives as connectors: insights into a breastfeeding incentive intervention in a disadvantaged area of North-West England. <i>BMC Pregnancy and Childbirth</i> , 2012, 12, 22.	0.9	38
21	Developing a woman-centered, inclusive definition of traumatic childbirth experiences: A discussion paper. <i>Birth</i> , 2022, 49, 687-696.	1.1	37
22	Public acceptability of financial incentives for smoking cessation in pregnancy and breast feeding: a survey of the British public. <i>BMJ Open</i> , 2014, 4, e005524-e005524.	0.8	34
23	Police intervention in domestic violence incidents where children are present: police and children's perspectives. <i>Policing and Society</i> , 2012, 22, 220-234.	1.8	33
