| #  | ARTICLE  | IF  | CITATIONS |
|----|--|-----|-----------|
| 1  | Delayed antibiotic prescriptions for respiratory infections. The Cochrane Library, 2022, 2022, CD004417.   | 1.5 | 127       |
| 2  | The socioemotional challenges and consequences for caregivers of Aboriginal and Torres Strait Islander children with otitis media: A qualitative study. Health Expectations, 2022, 25, 1374-1383.  | 1.1 | 9         |
| 3  | A crisis is also an opportunity: GP teachers's™ views on continuing clinical placements in general practice during the evolving COVID-19 pandemic. Australian Journal of General Practice, 2022, 51, 167-170.  | 0.3 | 1         |
| 4  | Factors Associated with Thoughts of Self-Harm or Suicide among Aboriginal and Torres Strait Islander People Presenting to Urban Primary Care: An Analysis of De-Identified Clinical Data. International Journal of Environmental Research and Public Health, 2022, 19, 153.                  | 1.2 | 1         |
| 5  | INFLATE: a protocol for a randomised controlled trial comparing nasal balloon autoinflation to no nasal balloon autoinflation for otitis media with effusion in Aboriginal and Torres Strait Islander children. Trials, 2022, 23, 309.   | 0.7 | 2         |
| 6  | Oral Health Among Older Adults With Complex Needs Living in the Community and in Aged Residential Care Facilities within New Zealand. Journal of the American Medical Directors Association, 2021, 22, 1177-1183.e1.   | 1.2 | 8         |
| 7  | Rapid review of five years of Aboriginal and Torres Strait Islander health research in Australia – persisting under-representation of urban populations. Australian and New Zealand Journal of Public Health, 2021, 45, 53-58.   | 0.8 | 12        |
| 8  | “The Problem Is that We Hear a Bit of Everything” – A Qualitative Systematic Review of Factors Associated with Alcohol Use, Reduction, and Abstinence in Pregnancy. International Journal of Environmental Research and Public Health, 2021, 18, 3445.                                       | 1.2 | 31        |
| 9  | “m outta here!” a qualitative investigation into why Aboriginal and non-Aboriginal people self-discharge from hospital. BMC Health Services Research, 2021, 21, 907.   | 0.9 | 17        |
| 10 | Psychosocial care for cancer survivors: A systematic literature review on the role of general practitioners. Psycho-Oncology, 2021, 30, 444-454.   | 1.0 | 5         |
| 11 | “They Were Willing to Work with Me and Not Pressure Me” A Qualitative Investigation into the Features of Value of a Smoking Cessation in Pregnancy Program for Aboriginal and Torres Strait Islander Women. International Journal of Environmental Research and Public Health, 2021, 18, 49. | 1.2 | 8         |
| 12 | Mixed-methods evaluation of screening for hearing loss using the hearScreen™ mobile health application in Aboriginal and Torres Strait Islander children presenting to an urban primary healthcare service. Australian Journal of Primary Health, 2021, 27, 371-376.                         | 0.4 | 4         |
| 13 | Randomised clinical trial research within Aboriginal and Torres Strait Islander primary health services: a qualitative study. BMJ Open, 2021, 11, e050839.   | 0.8 | 4         |
| 14 | Looking forward looking black: making the case for a radical rethink of strategies for success in Indigenous higher education. Australian Journal of Indigenous Education, 2020, 49, 153-162.  | 0.5 | 3         |
| 15 | Design tensions: exploring the negotiation tensions when living with type 2 diabetes. Design for Health, 2020, 4, 193-212.   | 0.4 | 0         |
| 16 | Systems integration to promote the mental health of Aboriginal and Torres Strait Islander children: protocol for a community-driven continuous quality improvement approach. BMC Public Health, 2020, 20, 1810.  | 1.2 | 9         |
| 17 | Maximising allied health accessibility for Aboriginal and Torres Strait Islander children: exploring experiences and perceptions of a family-centred consultation model. Speech, Language and Hearing, 2020, , 1-11.   | 0.6 | 0         |
| 18 | Quantitative evaluation of an outreach case management model of care for urban Aboriginal and Torres Strait Islander adults living with complex chronic disease: a longitudinal study. BMC Health Services Research, 2020, 20, 917.  | 0.9 | 1         |

| #  | ARTICLE  | IF  | CITATIONS |
|----|--|-----|-----------|
| 19 | Closing the gap between rhetoric and practice in strengths-based approaches to Indigenous public health: a qualitative study. Australian and New Zealand Journal of Public Health, 2020, 44, 102-105.  | 0.8 | 45        |
| 20 | Urinary and fecal incontinence are independently associated with falls risk among older women and men with complex needs: A national population study. Neurourology and Urodynamics, 2020, 39, 945-953.  | 0.8 | 13        |
| 21 | Visual impairment among Aboriginal and Torres Strait Islander patients attending an Australian Indigenous primary health service: a cross-sectional study. Australian Journal of Primary Health, 2020, 26, 287.  | 0.4 | 0         |
| 22 | Working together to improve the mental health of indigenous children: A systematic review. Children and Youth Services Review, 2019, 104, 104408.  | 1.0 | 23        |
| 23 | Getting it Right: validating a culturally specific screening tool for depression ( <sc>APHQ</sc> ) in Aboriginal and Torres Strait Islander Australians. Medical Journal of Australia, 2019, 211, 24-30.   | 0.8 | 26        |
| 24 | “So we tell them” articulating strong Black masculinities in an urban Indigenous community. AlterNative, 2019, 15, 253-260.  | 0.7 | 8         |
| 25 | Optimising Hepatitis C care in an urban Aboriginal and Torres Strait Islander primary health care clinic. Australian and New Zealand Journal of Public Health, 2019, 43, 228-235.  | 0.8 | 4         |
| 26 | A mixed methods exploratory study tackling smoking during pregnancy in an urban Aboriginal and Torres Strait Islander primary health care service. BMC Public Health, 2019, 19, 343.   | 1.2 | 17        |
| 27 | Hearing ability is not a risk factor for admission to aged residential care of older persons in New Zealand. Scientific Reports, 2019, 9, 17272.   | 1.6 | 0         |
| 28 | A mixed-methods retrospective study: 10 years of diabetic retinopathy screening in urban Aboriginal and Torres Strait Islander primary care. Australian Journal of Primary Health, 2019, 25, 24.   | 0.4 | 5         |
| 29 | Knowing our patients: a cross-sectional study of adult patients attending an urban Aboriginal and Torres Strait Islander primary healthcare service. Australian Journal of Primary Health, 2019, 25, 449.  | 0.4 | 4         |
| 30 | Continuous Quality Improvement and Comprehensive Primary Health Care: A Systems Framework to Improve Service Quality and Health Outcomes. Frontiers in Public Health, 2018, 6, 76.   | 1.3 | 23        |
| 31 | An “All Teach, All Learn” Approach to Research Capacity Strengthening in Indigenous Primary Health Care Continuous Quality Improvement. Frontiers in Public Health, 2018, 6, 107.  | 1.3 | 23        |
| 32 | Data timelines as paths of expression for organizational reflection in healthcare participatory design. , 2018, , .  |     | 2         |
| 33 | Understanding health talk in an urban Aboriginal and Torres Strait Islander primary healthcare service: a cross-sectional study. Australian Journal of Primary Health, 2017, 23, 335.  | 0.4 | 8         |
| 34 | 'I'm not sure it paints an honest picture of where my health's at' – identifying community health and research priorities based on health assessments within an Aboriginal and Torres Strait Islander community: a qualitative study. Australian Journal of Primary Health, 2017, 23, 549. | 0.4 | 17        |
| 35 | Understanding practitioner professionalism in Aboriginal and Torres Strait Islander health: lessons from student and registrar placements at an urban Aboriginal and Torres Strait Islander primary healthcare service. Australian Journal of Primary Health, 2017, 23, 446.               | 0.4 | 6         |
| 36 | Diabetic Retinopathy Screening and Monitoring of Early Stage Disease in Australian General Practice: Tackling Preventable Blindness within a Chronic Care Model. Journal of Diabetes Research, 2016, 2016, 1-7.  | 1.0 | 28        |

| #  | ARTICLE   | IF  | CITATIONS |
|----|---|-----|-----------|
| 37 | Investigating the feasibility, acceptability and appropriateness of outreach case management in an urban Aboriginal and Torres Strait Islander primary health care service: a mixed methods exploratory study. BMC Health Services Research, 2016, 16, 178.   | 0.9 | 21        |
| 38 | Facilitating engagement through strong relationships between primary healthcare and Aboriginal and Torres Strait Islander peoples. Australian and New Zealand Journal of Public Health, 2016, 40, 535-541.  | 0.8 | 48        |
| 39 | Getting it Right: study protocol to determine the diagnostic accuracy of a culturally-specific measure to screen for depression in Aboriginal and/or Torres Strait Islander people. BMJ Open, 2016, 6, e015009.   | 0.8 | 14        |
| 40 | A multi-centre open-label randomised non-inferiority trial comparing watchful waiting to antibiotic treatment for acute otitis media without perforation in low-risk urban Aboriginal and Torres Strait Islander children (the WATCH trial): study protocol for a randomised controlled trial. Trials, 2016, 17, 119. | 0.7 | 16        |
| 41 | “œlt puts a human face on the researched“ A qualitative evaluation of an Indigenous health research governance model. Australian and New Zealand Journal of Public Health, 2016, 40, S89-S95.   | 0.8 | 33        |
| 42 | How an urban Aboriginal and Torres Strait Islander primary health care service improved access to mental health care. International Journal for Equity in Health, 2015, 14, 51.   | 1.5 | 24        |
| 43 | Preventing obesity in infants: the Growing healthy feasibility trial protocol. BMJ Open, 2015, 5, e009258.  | 0.8 | 36        |
| 44 | From vision to reality: a centre of excellence for Aboriginal and Torres Strait Islander primary health care. Medical Journal of Australia, 2014, 200, 623-624.   | 0.8 | 27        |
| 45 | A different kind of treatment. Medical Journal of Australia, 2014, 201, 10-10.  | 0.8 | 6         |
| 46 | Health and well-being of urban Aboriginal and Torres Strait Islander women at their first antenatal visit: A cross-sectional study. Australian and New Zealand Journal of Obstetrics and Gynaecology, 2014, 54, 88-90.  | 0.4 | 6         |
| 47 | The impact of interventions to prevent obesity or improve obesity related behaviours in children (0-5) Tj ETQq1 1 0.784314 rgBT /Ove<br>Public Health, 2014, 14, 779.   | 1.2 | 108       |
| 48 | Caring for refugees in general practice: perspectives from the coalface. Australian Journal of Primary Health, 2014, 20, 85.  | 0.4 | 35        |
| 49 | Yarning about health checks: barriers and enablers in an urban Aboriginal medical service. Australian Journal of Primary Health, 2014, 20, 151.   | 0.4 | 25        |
| 50 | Household number associated with middle ear disease at an urban Indigenous health service: a cross-sectional study. Australian Journal of Primary Health, 2014, 20, 285.  | 0.4 | 12        |
| 51 | Predictors of specialist referral for developmental and behavioural problems in a Queensland urban Aboriginal and Torres Strait Islander community: a cross-sectional study. Australian Family Physician, 2014, 43, 640-3.  | 0.5 | 3         |
| 52 | Implementing computerised Aboriginal and Torres Strait Islander health checks in primary care for clinical care and research: a process evaluation. BMC Medical Informatics and Decision Making, 2013, 13, 108.   | 1.5 | 16        |
| 53 | Urban Aboriginal and Torres Strait Islander children's exposure to stressful events: a cross-sectional study. Medical Journal of Australia, 2013, 199, 42-45.   | 0.8 | 15        |
| 54 | “Working with the team“™: an exploratory study of improved type 2 diabetes management in a new model of integrated primary/secondary care. Australian Journal of Primary Health, 2013, 19, 207.   | 0.4 | 19        |
