#	Paper	IF	Citations
54	The social and psychological impact of endometriosis on women's lives: a critical narrative review. <i>Human Reproduction Update</i> , 2013 , 19, 625-39	15.8	300
53	Where are all the men? The marginalization of men in social scientific research on infertility. <i>Reproductive BioMedicine Online</i> , 2013 , 27, 225-35	4	112
52	Cross-border reproductive care: a review of the literature. <i>Reproductive BioMedicine Online</i> , 2011 , 22, 673-85	4	107
51	Oocyte cryopreservation for social reasons: demographic profile and disposal intentions of UK users. <i>Reproductive BioMedicine Online</i> , 2015 , 31, 239-45	4	92
50	Using focus groups with minority ethnic communities: Researching infertility in British South Asian communities. <i>Qualitative Health Research</i> , 2007 , 17, 102-12	3.9	79
49	Gay men seeking surrogacy to achieve parenthood. <i>Reproductive BioMedicine Online</i> , 2013 , 27, 271-9	4	56
48	Motivations and barriers to exercise in chronic kidney disease: a qualitative study. <i>Nephrology Dialysis Transplantation</i> , 2015 , 30, 1885-92	4.3	50
47	Running out of time: exploring women's motivations for social egg freezing. <i>Journal of Psychosomatic Obstetrics and Gynaecology</i> , 2019 , 40, 166-173	3.6	44
46	Assisted reproductive travel: UK patient trajectories. <i>Reproductive BioMedicine Online</i> , 2011 , 23, 573-81	4	43
45	'We needed to change the mission statement of the marriage': biographical disruptions, appraisals and revisions among couples living with endometriosis. <i>Sociology of Health and Illness</i> , 2016 , 38, 721-35	3	33
44	Reproductive technology and the life course: current debates and research in social egg freezing. <i>Human Fertility</i> , 2014 , 17, 170-9	1.9	33
43	Important, misunderstood, and challenging: a qualitative study of nurses' and allied health professionals' perceptions of implementing self-management for patients with COPD. <i>International Journal of COPD</i> , 2015 , 10, 1043-52	3	29
42	A systematic review of explanatory factors of barriers and facilitators to improving asthma management in South Asian children. <i>BMC Public Health</i> , 2014 , 14, 403	4.1	28
41	"Public" perceptions of gamete donation: a research review. <i>Public Understanding of Science</i> , 2009 , 18, 61-77	3.1	27
40	Patient and Staff Perceptions of Intradialytic Exercise before and after Implementation: A Qualitative Study. <i>PLoS ONE</i> , 2015 , 10, e0128995	3.7	23
39	British South Asian communities and infertility services. <i>Human Fertility</i> , 2006 , 9, 37-45	1.9	23
38	A survey of UK fertility clinics' approach to surrogacy arrangements. <i>Reproductive BioMedicine Online</i> , 2015 , 31, 327-38	4	18

37	How do informal self-care strategies evolve among patients with chronic obstructive pulmonary disease managed in primary care? A qualitative study. <i>International Journal of COPD</i> , 2014 , 9, 257-63	3	18
36	A qualitative study to identify parents' perceptions of and barriers to asthma management in children from South Asian and White British families. <i>BMC Pulmonary Medicine</i> , 2017 , 17, 126	3.5	17
35	'The bloke can be a bit hazy about what's going on': men and cross-border reproductive treatment. <i>Reproductive BioMedicine Online</i> , 2013 , 27, 253-60	4	16
34	Making Assisted World Families Parenting Projects and Family Practices in the Context of Globalised Gamete Donation. <i>Sociological Research Online</i> , 2017 , 22, 48-58	1	13
33	Conducting dyadic, relational research about endometriosis: A reflexive account of methods, ethics and data analysis. <i>Health (United Kingdom)</i> , 2020 , 24, 79-93	1.9	13
32	Public Understandings of Science: British South Asian Men's Perceptions of Third Party Assisted Conception. <i>International Journal of Interdisciplinary Social Sciences</i> , 2007 , 2, 79-86	0	12
31	The use of a collaborative structured methodology for the development of a multifaceted intervention programme for the management of asthma (the MIA project), tailored to the needs of children and families of South Asian origin: a community-based, participatory study. <i>Health Services and Delivery Research</i> , 2014 , 2, 1-226	1.5	12
30	Fit to father? Online accounts of lifestyle changes and help-seeking on a male infertility board. <i>Sociology of Health and Illness</i> , 2018 , 40, 937-953	3	11
29	Patient Perceptions of Living with Severe Asthma: Challenges to Effective Management. <i>Journal of Allergy and Clinical Immunology: in Practice</i> , 2019 , 7, 2613-2621.e1	5.4	11
28	Assisted conception and South Asian communities in the UK: public perceptions of the use of donor gametes in infertility treatment. <i>Human Fertility</i> , 2013 , 16, 48-53	1.9	11
27	Diverse Bodies and Disrupted Reproduction: Infertility and Minority Ethnic Communities in the UK. <i>International Journal of Diversity in Organisations, Communities and Nations</i> , 2006 , 5, 117-126	0	11
26	Asthma management in British South Asian children: an application of the candidacy framework to a qualitative understanding of barriers to effective and accessible asthma care. <i>BMC Public Health</i> , 2016 , 16, 510	4.1	11
25	Application of normalisation process theory in understanding implementation processes in primary care settings in the UK: a systematic review. <i>BMC Family Practice</i> , 2020 , 21, 52	2.6	10
24	Cross-border-assisted reproduction: a qualitative account of UK travellers' experiences. <i>Human Fertility</i> , 2016 , 19, 102-10	1.9	10
23	A qualitative study of patients' experiences of participating in SPACE for COPD: a Self-management Programme of Activity, Coping and Education. <i>ERJ Open Research</i> , 2017 , 3,	3.5	9
22	Children travelling for treatment: what we don't know. <i>Archives of Disease in Childhood</i> , 2013 , 98, 442-4	2.2	9
21	A Feasibility Study of a Randomized Controlled Trial of Asthma-Tailored Pulmonary Rehabilitation Compared with Usual Care in Adults with Severe Asthma. <i>Journal of Allergy and Clinical Immunology: in Practice</i> , 2020 , 8, 3418-3427	5.4	7
20	Protocol for a feasibility study to inform the development of a multicentre randomised controlled trial of asthma-tailored pulmonary rehabilitation versus usual care for individuals with severe asthma. <i>BMJ Open</i> , 2016 , 6, e010574	3	7

19	What are you going to do, confiscate their passports? Professional perspectives on cross-border reproductive travel. <i>Journal of Reproductive and Infant Psychology</i> , 2013 , 31, 46-57	2.9	6
18	Egg Donation Imaginaries: Embodiment, Ethics and Future Family Formation. <i>Sociology</i> , 2020 , 54, 346-362	6	
17	Infertility, gamete donation and relatedness in British South Asian communities	232-250	5
16	Reframing egg donation in Europe: new regulatory challenges for a shifting landscape. <i>Health Policy and Technology</i> , 2020 , 9, 308-313	4.8	5
15	Qualitative study to identify ethnicity-specific perceptions of and barriers to asthma management in South Asian and White British children with asthma. <i>BMJ Open</i> , 2019 , 9, e024545	3	4
14	A structured collaborative approach to intervention design using a modified intervention mapping approach: a case study using the Management and Interventions for Asthma (MIA) project for South Asian children. <i>BMC Medical Research Methodology</i> , 2020 , 20, 271	4.7	4
13	The Lived Experience of Klinefelter Syndrome: A Narrative Review of the Literature. <i>Frontiers in Endocrinology</i> , 2019 , 10, 825	5.7	3
12	Recipient and donor experiences of known egg donation: implications for fertility counselling. <i>Journal of Reproductive and Infant Psychology</i> , 2020 , 38, 354-366	2.9	3
11	The missed disease? Endometriosis as an example of 'undone science'. <i>Reproductive Biomedicine and Society Online</i> , 2022 , 14, 20-27	1.2	3
10	Men, chronic illness and healthwork: accounts from male partners of women with endometriosis. <i>Sociology of Health and Illness</i> , 2020 , 42, 1532-1547	3	2
9	Cross-border reproductive travel	441-450	2
8	'Nothing will stop me from giving the gift of life': a qualitative analysis of egg donor forum posts. <i>Culture, Health and Sexuality</i> , 2021 , 23, 690-704	2.5	2
7	The impact of an intervention to increase uptake to structured self-management education for people with type 2 diabetes mellitus in primary care (the embedding package), compared to usual care, on glycaemic control: study protocol for a mixed methods study incorporating a wait-list cluster randomised controlled trial. <i>BMC Family Practice</i> , 2019 , 20, 152	2.6	1
6	Increasing uptake of structured self-management education programmes for type 2 diabetes in a primary care setting: a feasibility study. <i>Pilot and Feasibility Studies</i> , 2020 , 6, 71	1.9	1
5	From scarcity to sisterhood: The framing of egg donation on fertility clinic websites in the UK, Belgium and Spain.. <i>Social Science and Medicine</i> , 2022 , 296, 114785	5.1	0
4	On Ice: The impact of vitrification on the use of eggs in fertility treatment. <i>Emerging Topics in Life Sciences</i> , 2019 , 3, 713-717	3.5	0
3	Key considerations when involving children in health intervention design: reflections on working in partnership with South Asian children in the UK on a tailored Management and Intervention for Asthma (MIA) study.. <i>Research Involvement and Engagement</i> , 2022 , 8, 9	4.4	0
2	Review: Researchers' experiences of focus group dynamics in Singapore, Australia and the Netherlands: troubling multicultural assumptions. <i>Journal of Research in Nursing</i> , 2014 , 19, 475-476	0.9	

- 1 Towards Multi-sensory research: acoustic space, Racialisation and Whiteness. *Journal of Research in Nursing*, **2008**, 13, 123-124 0.9
