#	ARTICLE	IF	CITATIONS
1	No impact of performance-based financing on the availability of essential medicines in Burkina Faso: A mixed-methods study. <i>PLOS Global Public Health</i> , 2022, 2, e0000212.	0.5	3
2	Every drop matters: combining population-based and satellite data to investigate the link between lifetime rainfall exposure and chronic undernutrition in children under five years in rural Burkina Faso. <i>Environmental Research Letters</i> , 2022, 17, 054027.	2.2	2
3	Timely completion of childhood vaccination and its predictors in Burkina Faso. <i>Vaccine</i> , 2022, , .	1.7	2
4	Why did performance-based financing in Burkina Faso fail to achieve the intended equity effects? A process tracing study. <i>Social Science and Medicine</i> , 2022, , 115065.	1.8	1
5	Does the gap between health workers'™ expectations and the realities of implementing a performance-based financing project in Mali create frustration?. <i>Global Health Research and Policy</i> , 2021, 6, 5.	1.4	4
6	Implementation of a performance-based financing scheme in Malawi and resulting externalities on the quality of care of non-incentivized services. <i>BMC Pregnancy and Childbirth</i> , 2021, 21, 408.	0.9	1
7	Impact of Performance-Based Financing on effective coverage for curative child health services in Burkina Faso: Evidence from a quasi-experimental design. <i>Tropical Medicine and International Health</i> , 2021, 26, 1002-1013.	1.0	4
8	Changes in health worker knowledge and motivation in the context of a quality improvement programme in Ethiopia. <i>Health Policy and Planning</i> , 2021, 36, 1508-1520.	1.0	5
9	Quality of mental health questionnaires in conflict-affected adult populations in low and middle income countries: A systematic review. <i>Journal of Migration and Health</i> , 2021, 4, 100068.	1.6	1
10	Patterns of healthcare seeking among people reporting chronic conditions in rural sub-Saharan Africa: findings from a population-based study in Burkina Faso. <i>Tropical Medicine and International Health</i> , 2020, 25, 1542-1552.	1.0	2
11	Intended and unintended effects: community perspectives on a performance-based financing programme in Malawi. <i>BMJ Global Health</i> , 2020, 5, e001894.	2.0	6
12	Evaluating performance-based financing in low-income and middle-income countries: the need to look beyond average effect. <i>BMJ Global Health</i> , 2020, 5, e003136.	2.0	7
13	Experiences of psychotherapists working with refugees in Germany: a qualitative study. <i>BMC Psychiatry</i> , 2020, 20, 588.	1.1	19
14	Effect Heterogeneity in Responding to Performance-Based Incentives: A Quasi-Experimental Comparison of Impacts on Health Service Indicators Between Hospitals and Health Centers in Malawi. <i>Health Systems and Reform</i> , 2020, 6, e1745580.	0.6	5
15	What happens when performance-based financing meets free healthcare? Evidence from an interrupted time-series analysis. <i>Health Policy and Planning</i> , 2020, 35, 906-917.	1.0	12
16	Can Combining Performance-Based Financing With Equity Measures Result in Greater Equity in Utilization of Maternal Care Services? Evidence From Burkina Faso. <i>International Journal of Health Policy and Management</i> , 2020, , .	0.5	10
17	"It Depends on What They Experience in Each Health Facility. Some Are Satisfied, Others Are Not." A MixedMethods Exploration of Health Workers'™ Attitudes Towards Performance-Based Financing in Burkina Faso. <i>International Journal of Health Policy and Management</i> , 2020, , .	0.5	5
18	Quality of maternal obstetric and neonatal care in low-income countries: development of a composite index. <i>BMC Medical Research Methodology</i> , 2019, 19, 154.	1.4	10

#	ARTICLE	IF	CITATIONS
19	Exploiting the emergent nature of mixed methods designs: insights from a mixed methods impact evaluation in Malawi. <i>Health Policy and Planning</i> , 2019, 35, 102-106.	1.0	3
20	Responding to policy makers'™ evaluation needs: combining experimental and quasi-experimental approaches to estimate the impact of performance based financing in Burkina Faso. <i>BMC Health Services Research</i> , 2019, 19, 733.	0.9	17
21	Factors associated with misreporting in performance-based financing in Burkina Faso: Implications for risk-based verification. <i>International Journal of Health Planning and Management</i> , 2019, 34, 1217-1237.	0.7	3
22	Effect of results-based financing on facility-based maternal mortality at birth: an interrupted time-series analysis with independent controls in Malawi. <i>BMJ Global Health</i> , 2019, 4, e001184.	2.0	7
23	Psychological wellbeing in a resource-limited work environment: examining levels and determinants among health workers in rural Malawi. <i>Human Resources for Health</i> , 2019, 17, 85.	1.1	7
24	Prevalence and factors associated with poor mental health among healthcare professionals in low- and lower-middle-income countries: a systematic review protocol. <i>Systematic Reviews</i> , 2019, 8, 294.	2.5	4
25	The Importance of Leadership and Organizational Capacity in Shaping Health Workers'™ Motivational Reactions to Performance-Based Financing: A Multiple Case Study in Burkina Faso. <i>International Journal of Health Policy and Management</i> , 2019, 8, 272-279.	0.5	12
26	What Happens When Donors Pull Out? Examining Differences in Motivation Between Health Workers Who Recently Had Performance-Based Financing (PBF) Withdrawn With Workers Who Never Received PBF in the Democratic Republic of Congo. <i>International Journal of Health Policy and Management</i> , 2019, 8, 646-661.	0.5	14
27	“The money can be a motivator, to me a little, but mostly PBF just helps me to do better in my job.”™ An exploration of the motivational mechanisms of performance-based financing for health workers in Malawi. <i>Health Policy and Planning</i> , 2018, 33, 183-191.	1.0	35
28	How does performance-based financing affect health workers' intrinsic motivation? A Self-Determination Theory-based mixed-methods study in Malawi. <i>Social Science and Medicine</i> , 2018, 208, 1-8.	1.8	35
29	Impact of results-based financing on effective obstetric care coverage: evidence from a quasi-experimental study in Malawi. <i>BMC Health Services Research</i> , 2018, 18, 791.	0.9	14
30	Performance-based financing kick-starts motivational “feedback loop” findings from a process evaluation in Mozambique. <i>Human Resources for Health</i> , 2018, 16, 55.	1.1	8
31	How to do (or not to do) Measuring health worker motivation in surveys in low- and middle-income countries. <i>Health Policy and Planning</i> , 2018, 33, 192-203.	1.0	28
32	Inequities and their determinants in coverage of maternal health services in Burkina Faso. <i>International Journal for Equity in Health</i> , 2018, 17, 58.	1.5	40
33	Perceptions of quality across the maternal care continuum in the context of a health financing intervention: Evidence from a mixed methods study in rural Malawi. <i>BMC Health Services Research</i> , 2017, 17, 392.	0.9	21
34	Measuring health workers'™ motivation composition: validation of a scale based on Self-Determination Theory in Burkina Faso. <i>Human Resources for Health</i> , 2017, 15, 33.	1.1	28
35	Implementation research to improve quality of maternal and newborn health care, Malawi. <i>Bulletin of the World Health Organization</i> , 2017, 95, 491-502.	1.5	27
36	Crowding out or no crowding out? A Self-Determination Theory approach to health worker motivation in performance-based financing. <i>Social Science and Medicine</i> , 2016, 169, 1-8.	1.8	49

#	ARTICLE	IF	CITATIONS
37	Evaluating complex health financing interventions: using mixed methods to inform further implementation of a novel PBI intervention in rural Malawi. BMC Health Services Research, 2016, 16, 414.	0.9	12
38	How do Malawian women rate the quality of maternal and newborn care? Experiences and perceptions of women in the central and southern regions. BMC Pregnancy and Childbirth, 2015, 15, 169.	0.9	20
39	Factors associated with delivery outside a health facility: cross-sectional study in rural Malawi. Tropical Medicine and International Health, 2015, 20, 617-626.	1.0	22
40	Protocol for the process evaluation of interventions combining performance-based financing with health equity in Burkina Faso. Implementation Science, 2014, 9, 149.	2.5	33
41	Much research, but little learned to date: A scoping review of the methodological quality of research on mental health of healthcare professionals in low- and lower-middle income countries. Wellcome Open Research, 0, 7, 169.	0.9	1
