

Jason Bournas

List of Publications by Citations

Source: <https://exaly.com/author-pdf/9352887/jason-bournas-publications-by-citations.pdf>

Version: 2024-04-26

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
8	Daylight regulation compliance of existing multi-family apartment blocks in Sweden. <i>Building and Environment</i> , 2019 , 150, 254-265	6.5	15
7	Energy renovation of an office building using a holistic design approach. <i>Journal of Building Engineering</i> , 2016 , 7, 194-206	5.2	14
6	Daylight compliance of residential spaces: Comparison of different performance criteria and association with room geometry and urban density. <i>Building and Environment</i> , 2020 , 185, 107276	6.5	8
5	Perceived daylight conditions in multi-family apartment blocks – Instrument validation and correlation with room geometry. <i>Building and Environment</i> , 2020 , 169, 106574	6.5	5
4	Residential electric lighting use during daytime: A field study in Swedish multi-dwelling buildings. <i>Building and Environment</i> , 2020 , 180, 106977	6.5	4
3	Relation between occupant perception of brightness and daylight distribution with key geometric characteristics in multi-family apartments of Malmö, Sweden. <i>Journal of Physics: Conference Series</i> , 2019 , 1343, 012161	0.3	1
2	Swedish daylight regulation throughout the 20th century and considerations regarding current assessment methods for residential spaces. <i>Building and Environment</i> , 2021 , 191, 107594	6.5	0
1	Association between Perceived Daylit Area and Self-reported Frequency of Electric Lighting Use in Multi-dwelling Buildings. <i>LEUKOS - Journal of Illuminating Engineering Society of North America</i> , 1-20	3.5	0
