

Andrew Thompson

List of Publications by Year in Descending Order

Source: <https://exaly.com/author-pdf/9924161/andrew-thompson-publications-by-year.pdf>

Version: 2024-04-19

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
33	- an unusual cestode from the Australian goannas and. <i>Journal of Helminthology</i> , 2020 , 94, e213	1.6	1
32	Perturbations have minor impacts on parasite dynamics and body condition of an endangered marsupial. <i>Journal of Zoology</i> , 2018 , 305, 124-132	2	2
31	Social networks: a tool for assessing the impact of perturbations on wildlife behaviour and implications for pathogen transmission. <i>Behaviour</i> , 2018 , 155, 689-730	1.4	5
30	Biology and Systematics of Echinococcus. <i>Advances in Parasitology</i> , 2017 , 95, 65-109	3.2	149
29	Identifying factors that influence stress physiology of the woylie, a critically endangered marsupial. <i>Journal of Zoology</i> , 2017 , 302, 49-56	2	6
28	Patterns and risks of trichinella infection in humans and pigs in northern Laos. <i>PLoS Neglected Tropical Diseases</i> , 2014 , 8, e3034	4.8	24
27	Albendazole: a more effective anti-giardial agent in vitro than metronidazole or tinidazole. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1990 , 84, 375-9	2	60
26	Echinococcus granulosus infection of foxes in south-eastern New South Wales. <i>Australian Veterinary Journal</i> , 1989 , 66, 123-4	1.2	14
25	Biochemical and molecular identification of species of Taenia. <i>Australian Veterinary Journal</i> , 1989 , 66, 227	1.2	2
24	Hydatid disease in urban areas of Western Australia: an unusual cycle involving western grey kangaroos (<i>Macropus fuliginosus</i>), feral pigs and domestic dogs. <i>Australian Veterinary Journal</i> , 1988 , 65, 188-90	1.2	30
23	The effect of lentinan on the resistance of mice to <i>Mesocestoides corti</i> . <i>Zeitschrift für Parasitenkunde (Berlin, Germany)</i> , 1988 , 74, 563-8		20
22	Observations on the possible origin, formation and structure of calcareous corpuscles in taeniid cestodes. <i>Parasitology Research</i> , 1988 , 74, 293-6	2.4	12
21	Humans and cats have genetically-identical forms of <i>Giardia</i> : evidence of a zoonotic relationship. <i>Medical Journal of Australia</i> , 1988 , 148, 207-209	4	14
20	DNA probes for characterizing Echinococcus strains. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1987 , 81, 522	2	
19	Comparative studies on the axenic in vitro cultivation of <i>Giardia</i> of human and canine origin: evidence for intraspecific variation. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1987 , 81, 637-40	2	46
18	Praziquantel adversely affects protoscoleces of Echinococcus granulosus in vitro. <i>Journal of Helminthology</i> , 1986 , 60, 279-86	1.6	24
17	Sperm transfer in Echinococcus (Cestoda: Taeniidae). <i>Zeitschrift für Parasitenkunde (Berlin, Germany)</i> , 1986 , 72, 265-9		15

16	The prevalence of Giardia in dogs and cats in Perth, Western Australia. <i>Australian Veterinary Journal</i> , 1986 , 63, 110-2	1.2	44
15	Strain identification of Echinococcus granulosus in determining origin of infection in a case of human hydatid disease in Australia. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1985 , 79, 238-41	2	11
14	Echinococcus granulosus in a fox. <i>Australian Veterinary Journal</i> , 1985 , 62, 200-1	1.2	12
13	Proliferation and metastases formation of larval Echinococcus multilocularis. I. Animal model, macroscopical and histological findings. <i>Zeitschrift für Parasitenkunde (Berlin, Germany)</i> , 1983 , 69, 737-48		63
12	Proliferation and metastases formation of larval Echinococcus multilocularis. II. Ultrastructural investigations. <i>Zeitschrift für Parasitenkunde (Berlin, Germany)</i> , 1983 , 69, 749-63		78
11	Factors influencing the establishment of Mesocestoides corti in mice following oral inoculation of tetrathyridia. <i>Journal of Helminthology</i> , 1983 , 57, 197-203	1.6	4
10	The susceptibility of the European red fox (Vulpes vulpes) to infection with Echinococcus granulosus of Australian sheep origin. <i>Annals of Tropical Medicine and Parasitology</i> , 1983 , 77, 75-82		17
9	The effects of selective immunosuppression on resistance to Mesocestoides corti in strains of mice showing high and low initial susceptibility. <i>Zeitschrift für Parasitenkunde (Berlin, Germany)</i> , 1983 , 69, 91-104		5
8	WHO centre for hydatid disease research established in Australia. <i>Medical Journal of Australia</i> , 1983 , 1, 548-9	4	
7	Pathophysiology of Mesocestoides corti infection in the mouse. <i>Journal of Helminthology</i> , 1982 , 56, 145-53		12
6	BCG-induced inhibition and destruction of Taenia taeniaeformis in mice. <i>Parasite Immunology</i> , 1982 , 4, 93-9	2.2	10
5	A review of the taxonomy and speciation of the genus Echinococcus Rudolphi 1801. <i>Zeitschrift für Parasitenkunde (Berlin, Germany)</i> , 1982 , 68, 121-46		58
4	The production of eggs by Echinococcus multilocularis in the laboratory following in vivo and in vitro development. <i>Zeitschrift für Parasitenkunde (Berlin, Germany)</i> , 1982 , 68, 227-34		10
3	Pathological phenomena associated with Mesocestoides corti infection in mice. <i>Journal of Helminthology</i> , 1981 , 55, 167-172	1.6	5
2	Maintenance of the life cycle of Echinococcus granulosus in the laboratory following in vivo and in vitro development. <i>Zeitschrift für Parasitenkunde (Berlin, Germany)</i> , 1981 , 65, 103-6		9
1	An ultrastructural study of the microtriches of adult Proteocephalus tidswelli (Cestoda: Proteocephalidea). <i>Zeitschrift für Parasitenkunde (Berlin, Germany)</i> , 1980 , 64, 95-111		43
