

# CITATION REPORT

List of articles citing

Time course of decrease in blood pressure and in blood pressure response to vasopressor agents during pregnancy in the rat

DOI: 10.1007/bf00592789

Pflugers Archiv European Journal of Physiology, 1973, 341, 197-208.

**Source:** <https://exaly.com/paper-pdf/11209482/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
