

CITATION REPORT

List of articles citing

Studies of residual ridge resorption. I. Use of panoramic radiographs for evaluation and classification of mandibular resorption

DOI: 10.1016/0022-3913(74)90093-6
Journal of Prosthetic Dentistry, 1974, 32, 7-12.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
