

# CITATION REPORT

List of articles citing

## External Beam Radiation Therapy for Primary Liver Cancers: An ASTRO Clinical Practice Guideline

DOI: 10.1016/j.prro.2021.09.004  
Practical Radiation Oncology, 2021, , .

**Source:** <https://exaly.com/paper-pdf/120710931/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
