

CITATION REPORT

List of articles citing

Autophagy involving age-related cognitive behavior and hippocampus injury is modulated by different caloric intake in mice

DOI: 99.0000/PMC4565409

International Journal of Clinical and Experimental Medicine, 2015, 8, 11843-53.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
