Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
114	CONSCIOUS AND SUBCONSCIOUS CONTROL OF BLOOD-PRESSURE. 1975 , 305, 1230-1231		
113	THERE, BUT FOR THE GRACE OF GOD 1975 , 305, 1231		
112	Pathogenesis of essential hypertension. 1976 , 1, 1217-9		28
111	Letter: Study of meditation and blood pressure. 1976 , 294, 786-7		2
110	Psychotherapeutic control of hypertension. 1976 , 294, 80-4		141
109	Psychological methods in treatment of hypertension: a review. 1977 , 39, 587-93		12
108	Behavioral approaches to the treatment of hypertension. 1977 , 47, 309-16		4
107	Daily relaxation response breaks in a working population: II. Effects on blood pressure. 1977 , 67, 954-9		59
106	Biofeedback training for cardiovascular dysfunctions. 1977 , 61, 913-28		9
105	The Psychological Management of Psychosomatic Diseases. 1977 , 131, 113-126		11
104	The role of feedback in voluntary control of blood pressure in instructed subjects. 1977 , 10, 625-31		15
103	The cardiovascular response to stress. 1977 , 18, 13-7		6
102	The use of hypnosis and biofeedback procedures for essential hypertension. 1977 , 25, 335-47		33
101	Acquisition, discriminative stimulus control, and retention of increases/decreases in blood pressure of normotensive human subjects. 1977 , 10, 381-90		15
100	Apparatus and procedure for training subjects to control their blood pressure. 1977 , 14, 68-72		20
99	Presidential address, 1976. A monologue on biofeedback and psychophysiology. 1977 , 14, 213-27		25
98	Relationship between essential hypertension and cognitive functioning. II. Effects of biofeedback training generalize to non-laboratory environment. 1977 , 14, 192-7		38

97	Relation of heart rate control to heartbeat perception. 1977 , 2, 371-392	272
96	Biofeedback heart rate training during exercise. 1977 , 2, 107-25	66
95	Biofeedback and relaxation training in the treatment of psychophysiological disorders: or are the machines really necessary?. 1978 , 1, 217-39	95
94	Hypertension self-control with a portable feedback unit or meditation-relaxation. 1978 , 3, 269-76	6
93	Biofeedback training of blood pressure: a comparison of three feedback techniques. 1978 , 15, 53-9	12
92	Biofeedback and progressive relaxation: effects on systolic and diastolic blood pressure and heart rate. 1978 , 15, 239-47	11
91	Operant conditioning of blood pressure: effect of mediators. 1978 , 15, 531-7	12
90	Biofeedback applications to stress-related disorders. 1978 , 27, 73-79	3
89	NOTES. 1978 , 27, 79-79	
88	Biofeedback and relaxation in essential hypertension. 1978 , 27, 121-135	2
87	Non-pharmacologic treatment of hypertension. 1978 , 304, 222-35	6
86	Feedback modalities as a consideration in biofeedback applications. 1978 , 10, 597-606	1
85	Biofeedback: a new treatment for psychosomatic and functional disorders?. 1978 , 19, 275-84	1
84	Comparison of cardiovascular biofeedback, neuromuscular biofeedback, and meditation in the treatment of borderline essential hypertension.. 1978 , 46, 252-263	52
83	Nonpharmacologic control of essential hypertension in man: a critical review of the experimental literature. 1978 , 40, 294-320	51
82	Treatment of hypertension with biofeedback and relaxation techniques. 1978 , 40, 276-93	56
81	Evaluation of biofeedback in the treatment of borderline essential hypertension. 1979 , 12, 99-109	39
80	Progress in Biofeedback Conditioning for Fecal Incontinence. 1979 , 76, 742-746	195

79	Behavioral medicine approaches to hypertension: an integrative analysis of theory and research. 1979 , 2, 311-63	24
78	Heart rate and blood pressure biofeedback: I. A review of the recent experimental literature. 1979 , 4, 1-34	55
77	Nonpharmacologic therapy for hypertension. 1979 , 66, 837-42	21
76	Biofeedback for Raynaud's disease. 1979 , 20, 535, 538-41	13
75	Systemic haemodynamic effects of biofeedback in borderline hypertension. 1979 , 57 Suppl 5, 437s-439s	10
74	Biofeedback and behavioral medicine: an overview. 1979 , 31, 24-32	5
73	The role of behavioral conditioning in the cardiovascular adjustment to exercise. 1980 , 5, 91-104	47
72	Pulse transit time in the analysis of autonomic nervous system effects on the cardiovascular system. 1980 , 17, 202-7	59
71	Behavioral Approaches to Preventing Heart Disease: Risk Factor Modification. 1980 , 9, 27-69	5
70	Intrahypnotic and long-term effects of self-hypnosis on blood pressure in mild hypertension. 1980 , 28, 27-38	6
69	Acquired blood pressure control: a status report. 1981 , 26, 941-52	2
68	Controlled trial of biofeedback-aided behavioural methods in reducing mild hypertension. 1981 , 282, 2005-8	115
67	Biofeedback and hypertension. 1981 , 36, 213-23	2
66	Biofeedback therapy for fecal incontinence. 1981 , 95, 146-9	80
65	Performance characteristics of conditioned blood pressure elevations in the baboon. 1981 , 6, 11-24	22
64	Biofeedback efficacy studies: a critique of critiques. 1981 , 6, 275-88	27
63	The effect of biofeedback-assisted relaxation training on blood pressure and selected biochemical parameters in patients with essential hypertension. 1981 , 6, 343-53	40
62	Tracking-cuff system for beat-to-beat recording of blood pressure. 1981 , 18, 129-36	44

61	Clinical biofeedback: a behavioral analysis. 1981 , 5, 397-400	10
60	Behavioral treatment of high blood pressure II. Acute and sustained effects of relaxation and systolic blood pressure biofeedback. 1982 , 44, 155-70	55
59	Hypertension: comparison of drug and non-drug treatments. 1982 , 284, 1523-6	78
58	The perception and discrimination of arterial pulsations: implications for the behavioral treatment of hypertension. 1982 , 26, 485-93	3
57	Plasma lactate levels during baseline and blood pressure conditioning in the baboon. 1982 , 29, 657-63	19
