

Multi-exponential model to describe pressure-dependence use to estimate the crack aspect ratio

Journal of Rock Mechanics and Geotechnical Engineering
14, 385-395

DOI: [10.1016/j.jrmge.2021.08.015](https://doi.org/10.1016/j.jrmge.2021.08.015)
