

CITATION REPORT

List of articles citing

Long-Term Exposure to Transportation Noise and Risk for Type 2 Diabetes in a Nationwide Cohort Study from Denmark

DOI: 10.1289/ehp9146

Environmental Health Perspectives, 2021, 129, 127003.

Source: <https://exaly.com/paper-pdf/123370459/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
