

# CITATION REPORT

List of articles citing

## Impact of UPLC-MS in Food and Drug/Metabolite Analysis

DOI: 10.2174/1573412915666190923105355

Current Pharmaceutical Analysis, 2020, 17, 10-30.

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
