

CITATION REPORT

List of articles citing

Prevalence of ESBL non-CRE *Escherichia coli* and *Klebsiella pneumoniae* among clinical isolates collected by the SMART global surveillance program from 2015 to 2019.

DOI: 10.1016/j.ijantimicag.2022.106535

International Journal of Antimicrobial Agents, 2022, , 106535.

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
