

# CITATION REPORT

List of articles citing

Real-time growth stage detection model for high degree of occultation using DenseNet-fused YOLOv4

DOI: 10.1016/j.compag.2022.106694

Computers and Electronics in Agriculture, 2022, 193, 106694.

**Source:** <https://exaly.com/paper-pdf/125365916/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
