

CITATION REPORT

List of articles citing

Applications of smart grid technology in Nepal: status, challenges, and opportunities.

DOI: 10.1007/s11356-022-19084-3

Environmental Science and Pollution Research, 2022, , 1.

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
9	Estimation of greenhouse gases emission from domestic wastewater in Nepal: A scenario-based analysis applicable for developing countries.. <i>Chemosphere</i> , 2022 , 300, 134501	8.4	0
8	Modelling Barriers for Smart Grid Technology Acceptance in India. <i>Process Integration and Optimization for Sustainability</i> ,	2	1
7	A holistic educational platform for the study of the smart grid. <i>International Journal on Interactive Design and Manufacturing</i> ,	1.9
