

CITATION REPORT

List of articles citing

Cyclic and pathologic changes of the mare endometrium as detected by biopsy, with a note on early embryonic death

DOI: PM/621166

Journal of the American Veterinary Medical Association, 1978, 172, 241-62.

Version: 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
