

# CITATION REPORT

List of articles citing

## Guanosine 3 $\beta$ 5 $\gamma$ monophosphate in the CSF of neurological patients

DOI: 10.1001/archneur.1977.00500130032006  
Archives of Neurology, 1977, 34, 12-3.

**Source:** <https://exaly.com/paper-pdf/12954390/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
