

# CITATION REPORT

List of articles citing

Improved guinea-pig ventricular cell model incorporating a diadic space, IKr and IKs, and length- and tension-dependent processes

DOI: PM/9487284

Canadian Journal of Cardiology, 1998, 14, 123-34.

**Source:** <https://exaly.com/paper-pdf/130292748/citation-report.pdf>

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
