List of articles citing

Longterm mortality outcome in patients with rheumatoid arthritis: early presenters continue to do well

DOI: PM/9632066

Journal of Rheumatology, 1998, 25, 1072-7.

**Source:** <https://exaly.com/paper-pdf/130336902/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
