**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
235	When medicine and culture intersect. Changing patient demographics mean traditional approaches are inadequate. <b>2002</b> , 112, 11-2, 15		1
234	Patient-provider racial and ethnic concordance and parent reports of the primary care experiences of children. <b>2003</b> , 1, 105-12		48
233	Developing culturally competent community faculty: a model program. <b>2003</b> , 78, 1221-8		33
232	A different set of lenses. <b>2004</b> , 26-43		
231	Introduction. <b>2004</b> , 1-11		
230	Cultural competence now mainstream medicine. Responding to increasing diversity and changing demographics. <b>2004</b> , 116, 51-3		10
229	California Hope: a public hospital in changing times. <b>2004</b> , 44-57		
228	Finding visibility. <b>2004</b> , 73-104		
227	Interpreters' voices. <b>2004</b> , 105-128		
226	Putting it all together. <b>2004</b> , 58-72		
225	Prologue. <b>2004</b> , 1-6		
224	Questioning invisibility. <b>2004</b> , 7-14		1
223	Communication in the medical encounter. <b>2004</b> , 15-25		
222	Emerging metaphors and final words. <b>2004</b> , 129-141		
221	References. <b>2004</b> , 142-146		
220	Why do providers contribute to disparities and what can be done about it?. <b>2004</b> , 19, 1154-9		209
219	Do unmet expectations for specific tests, referrals, and new medications reduce patients' satisfaction?. <b>2004</b> , 19, 1080-7		66

218	Middle-aged and older Latino American women in the patient-doctor interaction. <b>2004</b> , 19, 221-39	14
217	Parent's language of interview and access to care for children with special health care needs. <b>2004</b> , 4, 181-7	77
216	The parent-provider relationship: does race/ethnicity concordance or discordance influence parent reports of the receipt of high quality basic pediatric preventive services?. <b>2005</b> , 82, 560-74	16
215	Racial and Ethnic Disparities and Perceptions of Health Care: Does Health Plan Type Matter?. <i>Health Services Research</i> , <b>2005</b> , 40, 551-576	3-4 38
214	Patients' perceptions of cultural factors affecting the quality of their medical encounters. <b>2005</b> , 8, 4-17	105
213	Predictors and outcomes of surgeons' referral of older breast cancer patients to medical oncologists. <b>2005</b> , 104, 936-42	9
212	Role dilemmas among health-workers in cross-cultural patient encounters around dietary advice. <b>2005</b> , 33, 360-9	19
211	Dentist-patient communication in the multilingual dental setting. <b>2005</b> , 50, 235-41	13
210	Narrowing the cultural divide in diabetes mellitus care: A focus on improving cultural competency to better serve hispanic/latino populations. <b>2006</b> , 1, 70-76	2
209	[Strategies to promote an egalitarian relationship with patients]. <b>2006</b> , 38, 178-81	0
208	Globalization, migration health, and educational preparation for transnational medical encounters. <b>2006</b> , 2, 2	33
207	Older Adults' participation in preventive health maintenance activities and perceived satisfaction with the healthcare provider. <b>2006</b> , 9, e16-e24	
206	Parental English proficiency and children's health services access. <b>2006</b> , 96, 1449-55	69
205	Nurse dose as a concept. <b>2006</b> , 38, 94-9	51
204	Intercultural communication competence in family medicine: lessons from the field. <b>2006</b> , 61, 236-45	45
203	Cultural differences in medical communication: a review of the literature. <b>2006</b> , 64, 21-34	368
202	Physician-patient communication: a study on the observed behaviours of specialty physicians and the ways their patients perceive them. <b>2006</b> , 64, 242-8	63
201	Do Dutch doctors communicate differently with immigrant patients than with Dutch patients?. <b>2006</b> , 63, 2407-17	78

200	Practice patterns of underrepresented minority nurse practitioners in New York state, 2000. <b>2006</b> , 7, 35-44	2
199	Contextualizing cultural competence training of residents: results of a formative research study in Geneva, Switzerland. <b>2006</b> , 28, 465-71	10
