

# CITATION REPORT

List of articles citing

A systematic review on the effectiveness of the Nucleoplasty procedure for discogenic pain

DOI: PM/20309378

Pain Physician, 2010, 13, 117-32.

**Source:** <https://exaly.com/paper-pdf/133353066/citation-report.pdf>

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
