

CITATION REPORT

List of articles citing

Fuzzy sets as a basis for a theory of possibility

DOI: 10.1016/0165-0114(78)90029-5
Fuzzy Sets and Systems, 1978, 1, 3-28.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
2263	Multicriteria optimization problems in fuzzy random decision systems.		
2262	.		3
