

# CITATION REPORT

List of articles citing

Length-weight relationships of 55 mesopelagic fishes from the eastern tropical North Atlantic: across- and within-species variation (body shape, growth stanza, condition factor).

DOI: 10.1111/jfb.15068  
Journal of Fish Biology, 2022, , .

**Source:** <https://exaly.com/paper-pdf/144830412/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
