List of articles citing

## Six Main Contributing Factors to High Levels of Mycotoxin Contamination in African Foods

DOI: 10.3390/toxins14050318  
Toxins, 2022, 14, 318.

**Source:** <https://exaly.com/paper-pdf/145202803/citation-report.pdf>

**Version:** 2024-04-17

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
