Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

| # | Paper | IF | Citations |
|---|--|----|-----------|
| 3 | Expanding growers' choice of disease management options can promote suboptimal social outcomes. | | 0 |
| 2 | How the epidemiology of disease-resistant and disease-tolerant varieties affects grower behaviour. 2022 , 19, | | 0 |
| 1 | Tolerance of plant virus disease: Its genetic, physiological, and epidemiological significance. | | 0 |
