CITATION REPORT List of articles citing

Technological and environmental advantages of a new engine combustion mode: Dual Biofuel Intelligent Charge Compression Ignition

DOI: 10.1016/j.fuel.2022.125067 Fuel, 2022, 326, 125067.

Source: https://exaly.com/paper-pdf/149152172/citation-report.pdf

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
