

# CITATION REPORT

List of articles citing

Use of monoclonal antibodies for the histopathological diagnosis of human malignancy

DOI: 10.1136/jcp.35.11.1253

Journal of Clinical Pathology, 1982, 35, 1253-67.

**Source:** <https://exaly.com/paper-pdf/15531812/citation-report.pdf>

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
