

Development and inter-laboratory validation of analytical methods for the determination of two metabolites in foods of plant origin

Analytical and Bioanalytical Chemistry

416, 663-674

DOI: [10.1007/s00216-023-04542-9](https://doi.org/10.1007/s00216-023-04542-9)
