

Estradiol binds to a receptor-like cytosol binding protein
response in *Paracoccidioides brasiliensis*.

Proceedings of the National Academy of Sciences of the United States of America
80, 7659-7663

DOI: [10.1073/pnas.80.24.7659](https://doi.org/10.1073/pnas.80.24.7659)
