

CITATION REPORT

List of articles citing

Adsorption of Hydrocarbons on Air-Reacted Activated Carbons. I. Adsorption Isotherms

DOI: 10.1177/026361748400100302

Adsorption Science and Technology, 1984, 1, 195-204.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
