Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
1845	HEALTH-PEERS: A DELIVERY MODEL FOR HEALTH PROMOTION AMONG THE ELDERLY. 1987 , 13, 427-436		15
1844	Evaluation of two food frequency methods of measuring dietary calcium intake. <i>American Journal of Epidemiology</i> , 1987 , 126, 796-802	3.8	267
1843	Dietary Fiber Sources in the United States by Demographic Group. 1987 ,		
1842	Relation of changes in amount and type of dietary fat to fecapentaenes in premenopausal women. 1988 , 206, 3-9		12
1841	Dietary factors in oral and pharyngeal cancer. 1988 , 80, 1237-43		268
1840	Validity and Reliability of Self Report Measures of Physical Activity: An Information-Processing Perspective. 1988 , 59, 314-327		199
1839	Variability in portion sizes of commonly consumed foods among a population of women in the United States. <i>American Journal of Epidemiology</i> , 1988 , 127, 1240-9	3.8	100
1838	Reproducibility and validity of dietary assessment instruments. I. A self-administered food use questionnaire with a portion size picture booklet. <i>American Journal of Epidemiology</i> , 1988 , 128, 655-66	3.8	400
1837	The Victorian Nutrition Survey--intakes and sources of dietary fats and cholesterol in the Victorian population. 1988 , 149, 12-5, 18-20		33
1836	The Development of a Comprehensive, Institution-Based Patient Risk Evaluation Program: I. Development, Content, and Data Management. 1988 , 4, 188-192		28
1835	Toward a dietary prevention of cancer. 1989 , 11, 229-35		18
1834	Development of a food frequency instrument: ethnic differences in food sources. 1989 , 12, 201-11		37
1833	Development and relative validity of a food frequency questionnaire for the estimation of intake of retinol and beta-carotene. 1989 , 12, 289-99		10
1832	Long-term (24-year) recall reliability in cancer cases and controls using a 21-item food frequency questionnaire. 1989 , 12, 135-49		61
1831	The role of vitamins in the etiology of cervical neoplasia: an epidemiological review. 1989 , 246, 1-13		38
1830	Human dietary assessment: methods and issues. 1989 , 18, 653-60		75
1829	Longitudinal relationships between nutrition and oral health. 1989 , 561, 124-42		49

1828	A brief dietary screen for high fat intake. 1989 , 21, 199-207		151
1827	Validation of a retrospective questionnaire assessing diet 10-15 years ago. <i>American Journal of Epidemiology</i> , 1989 , 130, 173-87	3.8	138
1826	Validation of a new computerized technique for quantitating individual dietary intake: the Nutrition Evaluation Scale System (NESSy) vs the weighed food record. 1990 , 51, 477-84		24
1825	Variability in nutrient and food intakes among older middle-aged men. Implications for design of epidemiologic and validation studies using food recording. <i>American Journal of Epidemiology</i> , 1990 , 132, 999-1012	3.8	124
1824	Assessment of the validity of a food frequency questionnaire as a measure of food use by comparison with direct observation of domestic food stores. <i>American Journal of Epidemiology</i> , 1990 , 131, 1059-67	3.8	14
1823	Diet and the risk of pancreatic cancer in men. <i>American Journal of Epidemiology</i> , 1990 , 132, 423-31	3.8	101
1822	Isotretinoin-basal cell carcinoma prevention trial. Design, recruitment results, and baseline characteristics of the trial participants. The ISO-BCC Study Group. 1990 , 11, 433-50		8
1821	Risk of pancreatic cancer in relation to medical history and the use of tobacco, alcohol and coffee. 1990 , 45, 816-20		156
1820	Energy balance, body size, and cancer. 1990 , 10, 283-303		38
1819	Assessing dietary intake for patient education planning and evaluation. 1990 , 15, 217-227		9
1818	Partitioning macronutrient intake estimates from a food frequency questionnaire. <i>American Journal of Epidemiology</i> , 1990 , 131, 1046-58	3.8	35
1817	Vitamin E intakes and sources in the United States. 1990 , 52, 361-7		107
1816	Comparison of diet history interview and self completed questionnaire in assessment of diet in an elderly population. 1990 , 44, 162-9		14
1815	Reproducibility and comparability of a computerized, self-administered food frequency questionnaire. 1990 , 13, 281-92		35
1814	Evaluation of alveolar bone in relation to nutritional status during pregnancy. 1990 , 69, 890-5		14
1813	Validation of a self-administered diet history questionnaire using multiple diet records. 1990 , 43, 1327-35		916
1812	Feasibility of a randomized trial of a low-fat diet for the prevention of breast cancer: dietary compliance in the Women's Health Trial Vanguard Study. 1990 , 19, 115-33		170
1811	Comparison of nutrient intake levels in older adults as estimated by self-administered versus interview-assisted food frequency questionnaires. 1990 , 22, 298-302		1

1810	Rapid assessment of dietary intake of fat, fiber, and saturated fat: validity of an instrument suitable for community intervention research and nutritional surveillance. 1990 , 4, 288-95		79
1809	Cholesterol screening in childhood: sixteen-year Beaver County Lipid Study experience. 1991 , 119, 551-6		39
1808	The Cardiovascular Health Study: design and rationale. 1991 , 1, 263-76		1946
1807	Reduced mononuclear leukocyte ascorbic acid content in adults with insulin-dependent diabetes mellitus consuming adequate dietary vitamin C. 1991 , 40, 146-9		74
1806	The Role of Calories and Caloric Restriction in Carcinogenesis. 1991 , 5, 79-89		36
1805	Bone mineral density of the lumbar spine in women with endometriosis. 1991 , 55, 537-42		9
1804	Socioeconomic status and electrolyte intake in black adults: the Pitt County Study. 1991 , 81, 1608-12		26
1803	Alcohol consumption and blood pressure in black adults: the Pitt County Study. <i>American Journal of Epidemiology</i> , 1991 , 133, 442-50	3.8	33
1802	Reliability of the behavioral risk factor survey in a triethnic population. <i>American Journal of Epidemiology</i> , 1991 , 133, 489-500	3.8	122
1801	Risk Factors for Age-related Cortical, Nuclear, and Posterior Subcapsular Cataracts. <i>American Journal of Epidemiology</i> , 1991 ,	3.8	
1800	An evaluation of a food frequency questionnaire for assessing dietary intake of specific carotenoids and vitamin E among low-income black women. <i>American Journal of Epidemiology</i> , 1991 , 134, 658-71	3.8	149
1799	Estimating the relation between dietary intake obtained from a food frequency questionnaire and true average intake. <i>American Journal of Epidemiology</i> , 1991 , 134, 310-20	3.8	85
1798	Assessing the Food Intake of Mentally Retarded and Developmentally Disabled Adults. 1991 , 19, 199-206		
1797	Cholecystectomy as a risk factor for colorectal adenomatous polyps and carcinoma. 1991 , 68, 1644-7		23
1796	Gastrointestinal symptoms in Parkinson's disease. 1991 , 6, 151-6		294
1795	Endogenous hormones and breast cancer: a prospective cohort study. 1991 , 18 Suppl 1, S23-6		53
1794	Development of a semiquantitative food frequency questionnaire to assess food, energy and nutrient intake in Denmark. 1991 , 20, 900-5		208
1793	The Lens Opacities Case-Control Study. Risk factors for cataract. 1991 , 109, 244-51		490

1792	Bone mineral density of the lumbar spine in endometriosis subjects compared to an age-similar control population. 1991 , 72, 510-4	16
1791	Estimates of intakes: methodology and results of some studies carried out in Italy. 1992 , 9, 527-34	15
1790	Dietary intake and risk of lung cancer in women who never smoked. 1992 , 17, 263-70	60
1789	Glutathione in foods listed in the National Cancer Institute's Health Habits and History Food Frequency Questionnaire. 1992 , 17, 57-75	134
1788	Psychological and Behavioral Differences among Females Classified as Bulimic, Obligatory Exerciser and Normal Control. 1992 , 55, 185-193	24
1787	Socioeconomic and behavioral correlates of body mass index in black adults: the Pitt County Study. 1992 , 82, 821-6	61
1786	Nutritional patterns of centenarians. 1992 , 34, 57-76	22
1785	The Georgia Centenarian Study. 1992 , 34, 1-17	119
1784	Risk factors for fatal colon cancer in a large prospective study. 1992 , 84, 1491-500	320
1783	Influences of a supermarket intervention on the food choices of parents and their children. 1992 , 24, 306-311	11
1782	[Evaluation of dietary intake of calcium in adult subjects with idiopathic arterial hypertension]. 1992 , 26, 27-33	4
1781	Habitual dietary intake and insulin sensitivity in lean and obese adults. 1992 , 55, 1174-9	151
1780	Role of water-soluble dietary fiber in the management of elevated plasma cholesterol in healthy subjects. 1992 , 69, 433-9	80
1779	A case-control study of hip fracture: evaluation of selected dietary variables and teenage physical activity. 1992 , 2, 122-7	77
1778	Are calcium intakes and physical activity patterns during adolescence related to radial bone mass of white college-age females?. 1992 , 2, 232-40	64
1777	Effect of smoking on folate levels in buccal mucosal cells. 1992 , 52, 566-9	52
1776	Robust linear regression in replicated measurement error models. 1993 , 16, 169-175	9
1775	Body size, estrogen use and thiazide diuretic use affect 5-year radial bone loss in postmenopausal women. 1993 , 3, 314-21	32

1774	Rate your plate: An eating pattern assessment and educational tool used at cholesterol screening and education programs. 1993 , 25, 29-36	53
1773	The Dietary Intervention Study in Children (DISC): dietary assessment methods for 8- to 10-year-olds. 1993 , 93, 1396-403	81
1772	Predictors of body satisfaction in college women. 1993 , 93, 1037-9	18
1771	Influences of eating patterns on change to a low-fat diet. 1993 , 93, 1309-11	4
1770	Reliability of a short and long version of the block food frequency form for assessing changes in calcium intake. 1993 , 93, 784-9	32
1769	Cigarettes, alcohol, coffee, and caffeine as risk factors for colorectal adenomatous polyps. 1993 , 3, 239-44	64
1768	Assessment of carotenoid intakes in humans. 1993 , 691, 68-75	3
1767	Nutrient and food group intake by tobacco use status: the 1987 National Health Interview Survey. 1993 , 686, 310-21; discussion 321-2	42
1766	Estimating correlations between questionnaires and food records / true dietary intake. 1993 , 22, 2327-2340	
1765	The effect of dietary changes and intentional weight loss on high density cholesterol levels in older adults. 1992 , 12, 1-14	7
1764	Usual dietary fat intake and insulin concentrations in healthy women twins. 1993 , 16, 1459-69	138
1763	Use of NHANES data to assign nutrient densities to food groups in a multiethnic diet history questionnaire. 1993 , 20, 223-30	8
1762	Food sources of nutrients of the diet of elderly Italians: II. Micronutrients. 1993 , 22, 869-77	23
1761	Relation between maternal diet and subsequent primitive neuroectodermal brain tumors in young children. 1993 , 329, 536-41	174
1760	Saturated fat intake and lung cancer risk among nonsmoking women in Missouri. 1993 , 85, 1906-16	105
1759	Racial differences in risk of oral and pharyngeal cancer: alcohol, tobacco, and other determinants. 1993 , 85, 465-73	172
1758	Recent epidemiologic studies on nutrition and cataract in India, Italy and the United States. 1993 , 12, 521-6	18
1757	A comparison of diets of blacks and whites in three areas of the United States. 1993 , 20, 153-65	37

1756	Food sources of nutrients in the diet of elderly Italians: I. Macronutrients and lipids. 1993 , 22, 855-68		23
1755	Changes in Bone Density With Lactation. 1993 , 269, 3130		223
1754	Epidemiology of low cholesterol levels in older adults. The Cardiovascular Health Study. 1993 , 87, 728-37		59
1753	Alcohol consumption and insulin concentrations. Role of insulin in associations of alcohol intake with high-density lipoprotein cholesterol and triglycerides. 1993 , 88, 2190-7		151
1752	Dietary risk factors for the incidence and recurrence of colorectal adenomatous polyps. A case-control study. 1993 , 118, 91-5		84
1751	Relation of calcium, vitamin D, and dairy food intake to incidence of colon cancer among older women. The Iowa Women's Health Study. <i>American Journal of Epidemiology</i> , 1993 , 137, 1302-17	3.8	233
1750	Cigarette smoking, alcohol, and the risk of colorectal adenomas. 1993 , 104, 1445-51		56
1749	A diet history questionnaire ranks nutrient intakes in middle-aged and older men and women similarly to multiple food records. <i>Journal of Nutrition</i> , 1993 , 123, 489-501	4.1	213
1748	Intakes of calcium, phosphorus, and protein, and physical-activity level are related to radial bone mass in young adult women. 1993 , 58, 537-42		154
1747	Validity of a short food frequency questionnaire for estimating nutrient intake in elderly people. <i>British Journal of Nutrition</i> , 1993 , 70, 3-14	3.6	37
1746	Glycosylated hemoglobin concentrations and vitamin E, vitamin C, and beta-carotene intake in diabetic and nondiabetic older adults. 1993 , 58, 412-6		45
1745	Factors associated with appendicular bone mass in older women. The Study of Osteoporotic Fractures Research Group. 1993 , 118, 657-65		408
1744	Renal adaptation to dietary carnitine in humans. 1993 , 58, 660-5		55
1743	Reply to Barker et al. 1994 , 60, 455-456		
1742	Collection of dietary-supplement data and implications for analysis. 1994 , 59, 232S-239S		92
1741	Relationship between dietary intake and plasma concentrations of carotenoids in premenopausal women: application of the USDA-NCI carotenoid food-composition database. 1994 , 60, 223-30		94
1740	Carotenoids, tocopherols, and retinoids in human buccal mucosal cells: intra- and interindividual variability and storage stability. 1994 , 59, 636-43		28
1739	Dietary glutathione intake in humans and the relationship between intake and plasma total glutathione level. 1994 , 21, 33-46		58

1738	Cholesterol Lowering in the Elderly. 1994 , 154, 529	48
1737	Self-administered food frequency questionnaire: the effect of different designs on food and nutrient intake estimates. 1994 , 23, 570-6	10
1736	Protein intake and risk of renal cell cancer. 1994 , 86, 1131-9	82
1735	Dietary factors and second primary cancers: a follow-up of oral and pharyngeal cancer patients. 1994 , 21, 223-32	44
1734	Assessment of the reliability of a diet history questionnaire. 1994 , 21, 143-55	7
1733	A comparison of education methods and their impact on behavioral change in patients with hyperlipidemia. 1994 , 24, 157-64	8
1732	Maternal diet and risk of astrocytic glioma in children: a report from the Childrens Cancer Group (United States and Canada). 1994 , 5, 177-87	104
1731	Sugar, meat, and fat intake, and non-dietary risk factors for colon cancer incidence in Iowa women (United States). 1994 , 5, 38-52	399
1730	The relation of reported alcohol ingestion to plasma levels of estrogens and androgens in premenopausal women (Maryland, United States). 1994 , 5, 53-60	88
1729	Determinants of bone mass in Chinese women aged 21-40 years. II. Pattern of dietary calcium intake and association with bone mineral density. 1994 , 4, 167-75	37
1728	Prevalence of chronic liver disease in the general population of northern Italy: the Dionysos Study. 1994 , 20, 1442-9	432
1727	[Development and validation of a semi-quantitative food questionnaire based on a population survey]. 1994 , 39, 345-69	42
1726	Social class, social support and obesity risk in children. 1994 , 20, 145-63	42
1725	A clinical trial of antioxidant vitamins to prevent colorectal adenoma. Polyp Prevention Study Group. 1994 , 331, 141-7	635
1724	Sex differences among participants in a weight-control program. 1994 , 19, 147-58	62
1723	Food intake and physical activity: a comparison of three measures of dieting. 1994 , 19, 401-9	69
1722	A comparison of two methods to ascertain dietary intake: the CARDIA Study. 1994 , 47, 701-11	12
1721	How should nutrient intake be measured in epidemiologic research?. 1994 , 47, 713-4; discussion 715-7	1
