

CITATION REPORT

List of articles citing

The surgical management of anorectal diseases in AIDS and pre-AIDS patients

DOI: 10.1007/bf02555318

Diseases of the Colon and Rectum, 1986, 29, 719-23.

Source: <https://exaly.com/paper-pdf/18575397/citation-report.pdf>

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
125	The demographics of anal cancers are changing. Identification of a high-risk population. <i>Diseases of the Colon and Rectum</i> , 1987 , 30, 942-6	3.1	59
124	Anorectal and colonic disease and the immunocompromised host. <i>Diseases of the Colon and Rectum</i> , 1988 , 31, 971-6	3.1	10
123	Emergency colectomy for cytomegalovirus ileocolitis in patients with the acquired immune deficiency syndrome. <i>Diseases of the Colon and Rectum</i> , 1988 , 31, 755-61	3.1	56
122	Hand infections in patients with acquired immunodeficiency syndrome. 1988 , 13, 770-5		41
121	Malignant transformation of anorectal giant condyloma acuminatum (Buschke-Loewenstein tumor). <i>Diseases of the Colon and Rectum</i> , 1989 , 32, 481-7	3.1	88
120	Hemorrhoidal ligation. A review of efficacy. <i>Diseases of the Colon and Rectum</i> , 1989 , 32, 369-71	3.1	32
