

Safe and efficient generation of recombinant retrovirus  
ecotropic host ranges.

Proceedings of the National Academy of Sciences of the United States of America  
85, 6460-6464

DOI: [10.1073/pnas.85.17.6460](https://doi.org/10.1073/pnas.85.17.6460)
