

# CITATION REPORT

List of articles citing

Intestinal decontamination for control of nosocomial multiresistant gram-negative bacilli. Study of an outbreak in an intensive care unit

DOI: 10.7326/0003-4819-110-11-873

Annals of Internal Medicine, 1989, 110, 873-81.

**Version:** 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
