

Minimizing the makespan with late start penalties added facility scheduling problem

European Journal of Operational Research

47, 56-64

DOI: [10.1016/0377-2217\(90\)90089-t](https://doi.org/10.1016/0377-2217(90)90089-t)
