

CITATION REPORT

List of articles citing

The nature of wandering in dementia: A
community-based study

DOI: 10.1002/gps.930050406

International Journal of Geriatric Psychiatry, 1990, 5, 239-245

Source: <https://exaly.com/paper-pdf/21405950/citation-report.pdf>

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
