

CITATION REPORT

List of articles citing

Failure of insulin and glucagon infusion to stimulate liver regeneration in fulminant hepatic failure

DOI: 10.1016/0168-8278(90)90141-d
Journal of Hepatology, 1990, 10, 332-6.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
