

CITATION REPORT

List of articles citing

Initiation of insulin treatment after 70 years of age:
patient status 2 years later

DOI: 10.1111/j.1464-5491.1991.tb01699.x
Diabetic Medicine, 1991, 8, 773-7.

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
