

Marked increase in nitric oxide synthase mRNA in rat d  
axotomy: in situ hybridization and functional studies.

Proceedings of the National Academy of Sciences of the Unite  
89, 11617-11621

DOI: [10.1073/pnas.89.23.11617](https://doi.org/10.1073/pnas.89.23.11617)
