

CITATION REPORT

List of articles citing

Laboratory diagnosis of *Mycoplasma pneumoniae* infection. 4. Antigen capture and PCR-gene amplification for detection of the *Mycoplasma*: problems of clinical correlation

DOI: 10.1017/s0950268800050512

Epidemiology and Infection, 1992, 109, 519-37.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
